"Life is a Journey, Not a Destination."

The 1997 Hilltop
St. Michael's College
Colchester, Vermont

The Road Not Taken

by Robert Frost

*Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveller, long I stood
And looked down one as far as I could
To where it bent in the undergrowth.*

*Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that, the passing there
Had worn them really about the same.*

*And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.*

*I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.*

"Don't walk in front of me; I may not follow.
Don't walk behind me; I may not lead;
Walk beside me and be my friend."

DEDICATION

Ann Giombetti

Each year, through a vote of the senior class, the Hilltop is dedicated to a member of the Saint Michael's College Community who we feel embodies the spirit of our senior class and our college.

This recipient, in her few short years here, has touched the lives of many people.

Our recipient has made a profound impact through her never-ending spirit of compassion, dedication, and optimism.

From the shores of Lake Champlain...

to the rural hills of St. Albans...

to the asphalt streets of New York City...

to the shadow of our nation's capital...

to the cotton fields of Alabama...

to the swamps of the Everglades...

to the barrios of Central America...

Just as her heart is filled with love and laughter, her office is always bustling with students who have caught her vision and determination to build a better world.

As a role model, educator, and witness, to the compassion of God, she brings more than a smile to campus. She brings hope to all she touches.

On behalf of the Class of 1997 it is an honor to dedicate the Hilltop to Ann Giombetti

What Is Success?

by Ralph W. Emerson

To laugh often and much;

To win the respect of intelligent people
and the affection of children;

To earn the appreciation of honest critics
and endure the betrayal of false friends;

To appreciate beauty;

To find the best in others;

To leave the world a bit better,
whether by a healthy child,
a garden patch,
or a redeemed social condition;

To know even one life has breathed
easier because you have lived;

This is to have succeeded.

PRESIDENT'S PAGE

--> Marc vanderHeyden

After President Reiss retired at the end of last year, St. Michael's College was placed with the difficult task of finding someone worthy of being its new president. This was a challenging job, since this individual had to be an effective leader

to the administration, a good role model for the students, a sufficient representative of the college, *and* an effective worker. Yet the selection committee succeeded in finding someone who was right for the job. That

individual was Dr. Marc A. vanderHeyden, originally from Belgium. He was inaugurated as SMC's 15th president on October 19th, 1996 and since then has already made his mark on the St. Mikes community. We wish him much luck!

A leader is best

**When people barely know he
exists,**

Not so good

**When people obey and acclaim
him,**

Worse when they despise him.

But of a good leader

Who talks little

When his word is done,

His aim fulfilled,

They will say:

"We did it ourselves."

-- Lao Tse

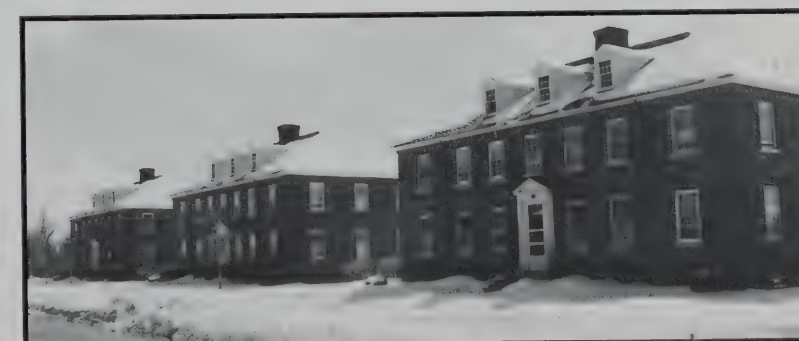

A journey is a person itself; no two are alike. And all plans, safeguards, policies, and coercion are fruitless;

Clockwise from top left corner: Alliot Hall (The Student Center), Prevel Hall, McCarthy Arts Center, Linnehan Hall (on North Campus), Durick Library, Bergeron Hall (for the Journalism Dept.), SMC Chapel (the largest chapel in VT!), Ross Sports Center.

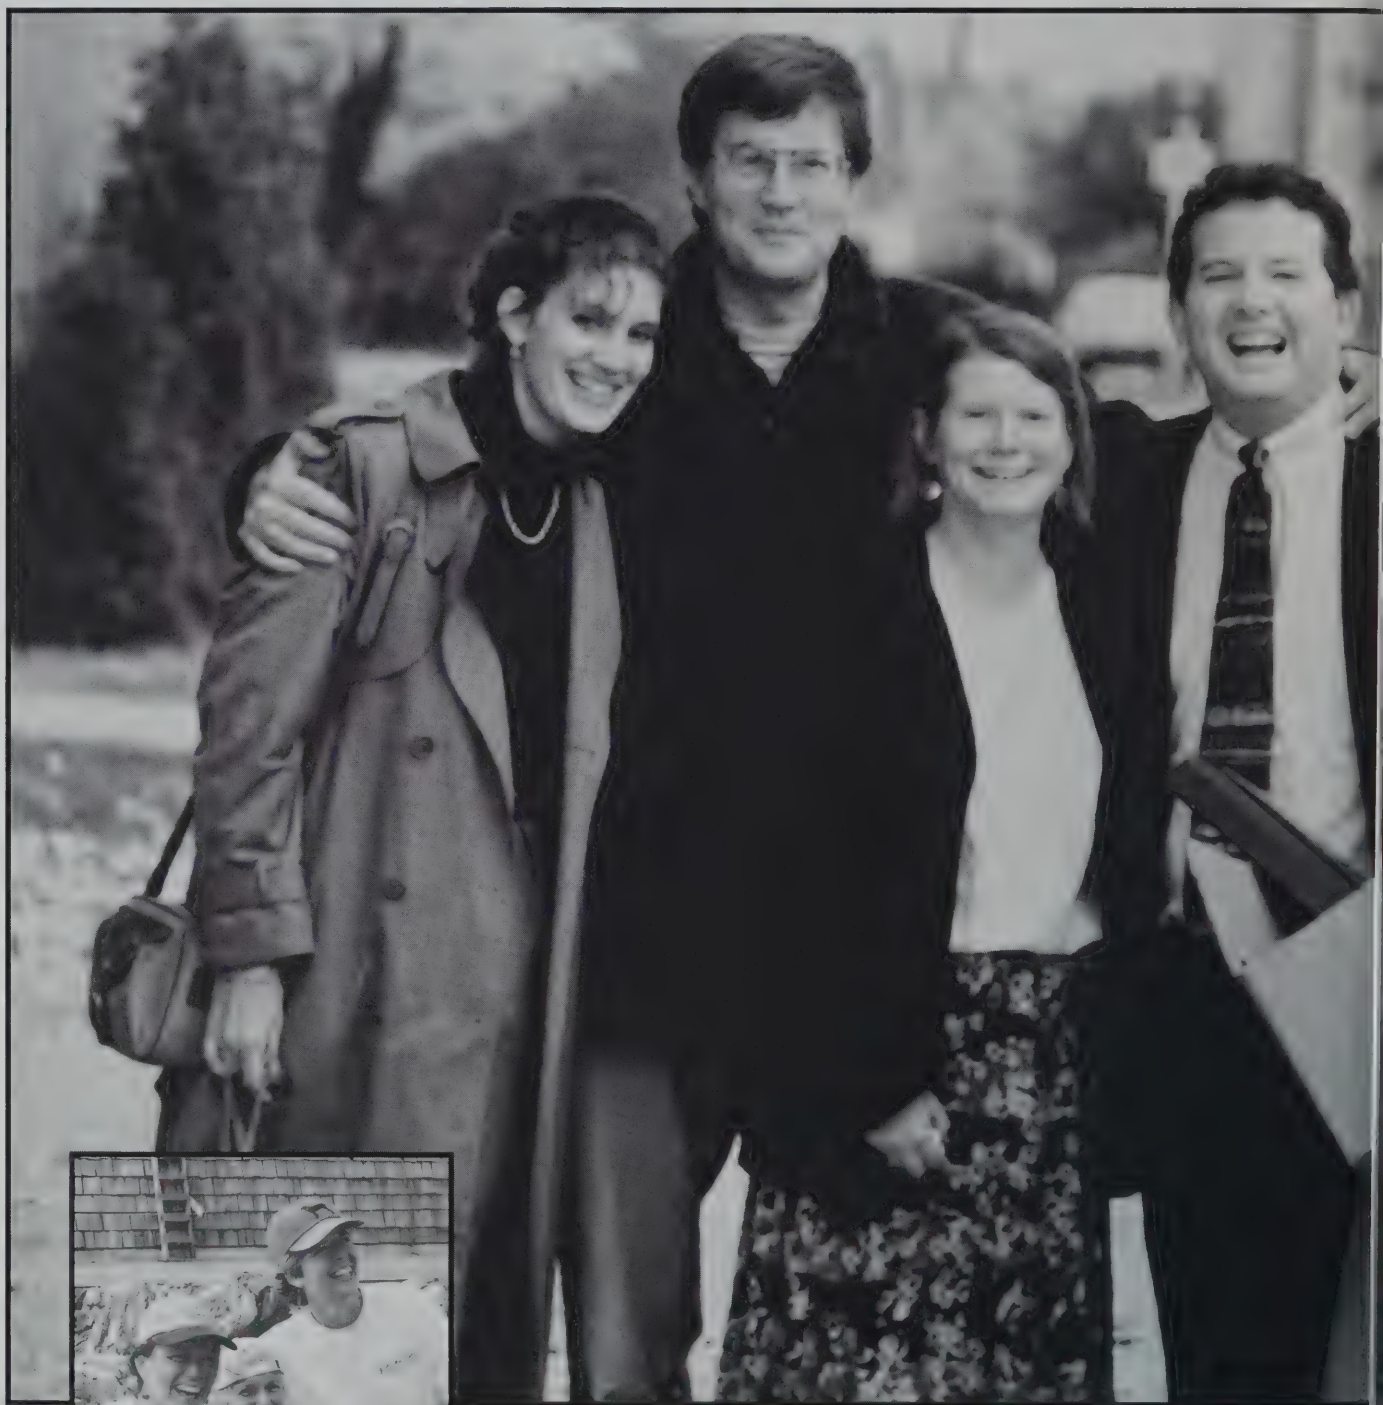

we find after years of struggle that we do not take a trip; a trip takes us. -- John Steinbeck

Clockwise from top left corner: International Commons Dining Hall (among the townhouses), Founders Hall, 300's Townhouses, Academic Complex (Cheray Science, St. Edmunds, & Jean-Marie Halls), North Campus (Sloan, Purtil, & Hamel Halls), Ethan Allen Apts (on North Campus), Nicole Hall (for the priests), Klein Building (Student Resource Center, Admissions & Financial Aid Offices), Tarrent Recreation Center, and The Quad (Lyons, Joyce, Alumni, & Ryan Halls).

Our Appreciation To: Dr. Daniel Bean

Biology Professor

Thus year's graduation is not only a farewell to the class of '97, but a farewell to an excellent and successful Biology class. But above all, the biggest loss that St. Mike's will suffer is the departure of Dr. Daniel J. Bean after 30 years of service to the campus community.

Dr. Bean has been with the Saint Michael's College Biology Department as long as most can remember and his presence has had a positive effect on every Biology major as well as the entire campus. Dan Bean has been a shining light of St. Michael's, continuously guiding students and faculty in their quest for knowledge.

Thank You!!! We will miss you!!

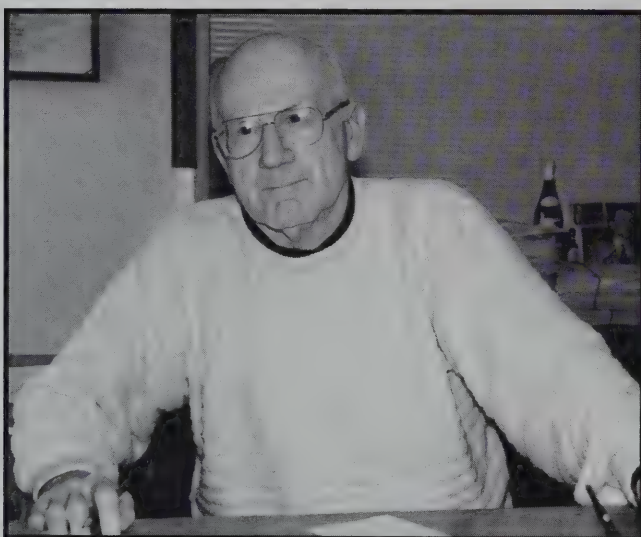

- David Guertin '97

Now that you're gone, we'd like to say "Thank You For Everything!"

Good-Bye and Good Luck to:

Anne Berry, Joan Brennan, Rae Bushway,
Rick Cote, Michael Gianni, Hal Goodwin,
Karen Horne, Steve Karcher, Fred Maher,
Donovan McDonough, Deb Murphy,
Ginger Player, Nancy Pratt, Donald Rathgeb,
Amy Reuben, Chip Towle, Tim Trapp,
anyone we forgot (sorry!!) and...

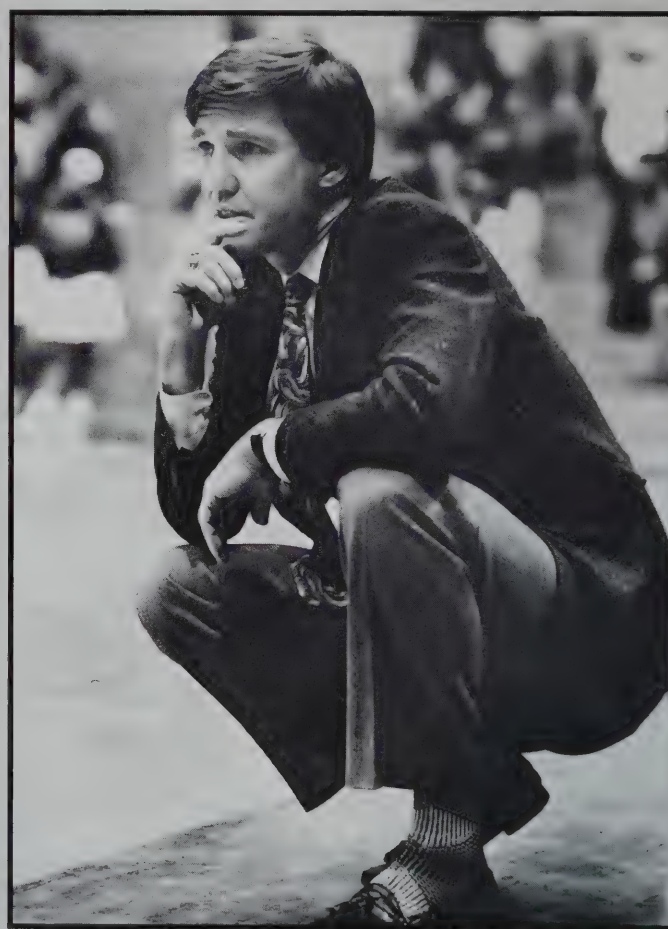

Ed Markey

Athletic Director

After over forty years of service and dedication to Saint Michael's College, Ed Markey, an extraordinary member of the community, will be strongly missed.

"Thank you for leading a team that has become one of my strongest families at Saint Michael's."

-Sean O'Brien

COACH TOM CROWLEY

He led the Men's Basketball Team for seven years. This year was his last yet also his best -- with a record of 23-7 and 16-2 in the overall conference. His athletic knowledge of the game and his genuine dedication to the sport will be greatly missed. Thanks & good luck!

Mark was a member of the Class of 1997 at St. Michael's College.

In Memory of Mark Rocheleau

"As a Little League manager who was in heated rivalry with Mark's dad for a few years when Mark played for 'the other team' I remember him as a boy with great desire, a terrific attitude, and as much good sportsmanship as any Little League player could ever be expected to have. Mark's passing away touched my family deeply because it reminded us how fragile a life can be and how much we need to cherish our time together. Any loss of a young person is hard to bear. The loss of his young person was especially difficult. In a small but important way, we are all diminished because Mark is no longer with us. He truly was an All Star! He still is,"

-Professor Nick Clary

*"And He shall raise you up
on eagle's wings,
bear you on the breath
of dawn,
make you to shine
like the sun,
and hold you in the palm
of His hand."*

"I had the privilege of having Mark in my Writing I class when he was a first-year student. His wit I well remember. His writing moved with wisdom. He always managed, too, to tickle the funny bone,"

-Professor Toni Messuri.

"He was a wonderful person," says June Heston, who worked with Mark at Camp Ta Kum Ta, a camp for children with cancer.

UNDERCLASSMEN

The newest drivers on College Street!

LEFT: A beautiful sunset and wonderful friends caught in a moment forever.

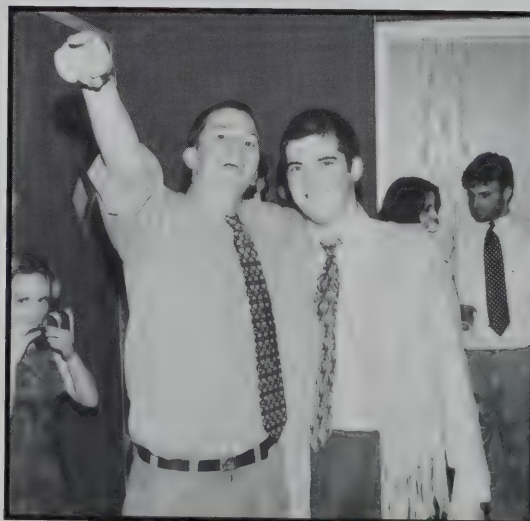

SMC's full-time undergraduate enrollment is now almost 1,800 -- 52% female, 48% male. The most popular majors are Business, Psychology, and English.

SENIORS

The End of the Road!

LEFT: After four years of college, students not only find themselves but also friendships that will last forever.

The Class of 1997, made up of 391 students, may be leaving SMC but they're definitely leaving their mark on campus. They will not be forgotten.

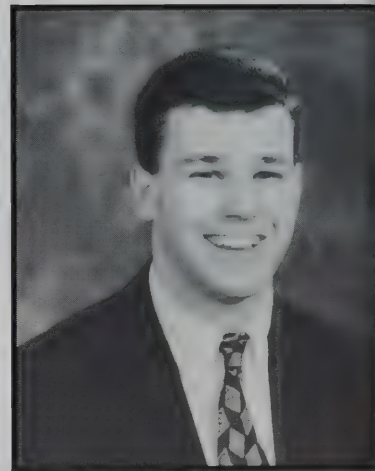

LEFT: Kaeley Steinnagel and Paul Griffin, swim-team buddies for four years, will walk away with memorable experiences.

BELOW: This year's seniors outdid themselves with their involvements.

Congratulations Graduates!

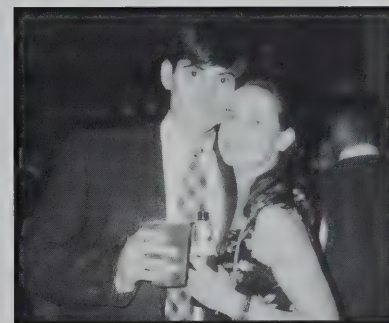

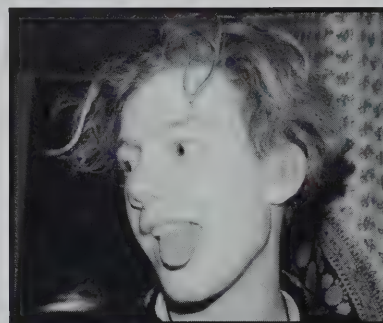

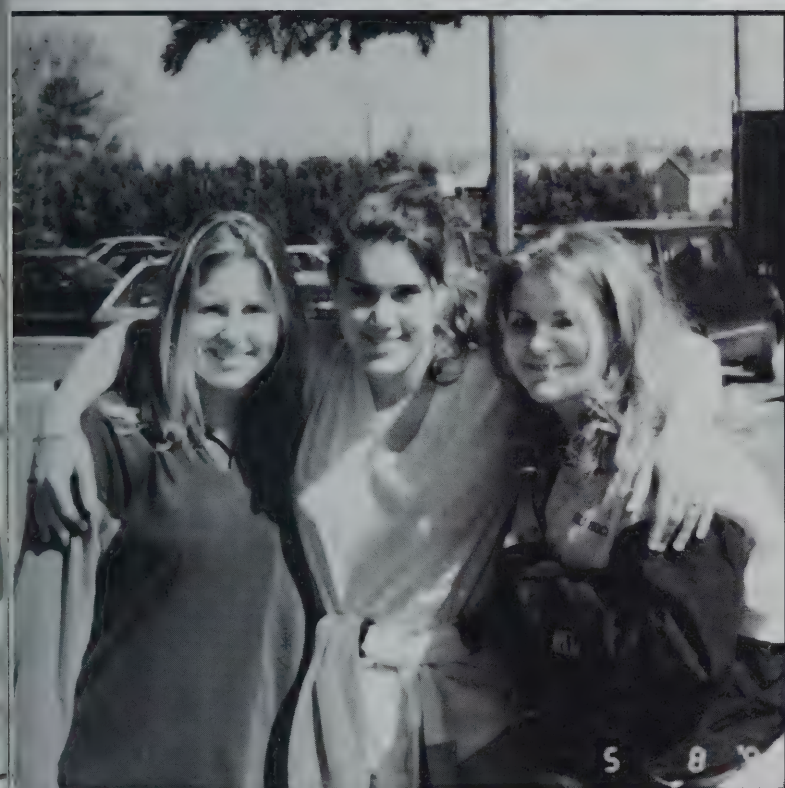

Pictured to the left are two members of the Class of 1997 during their first year of college, holding their class banner for the first time ever. It may be the same banner, but it is a whole new class.

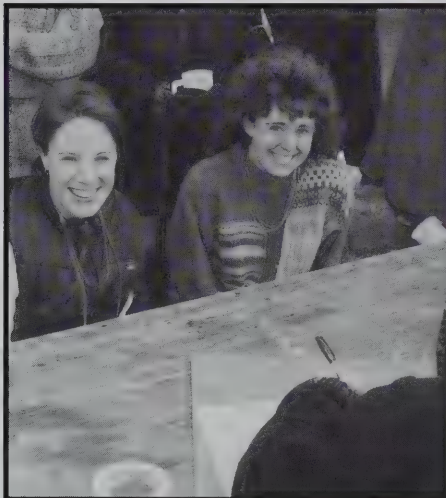

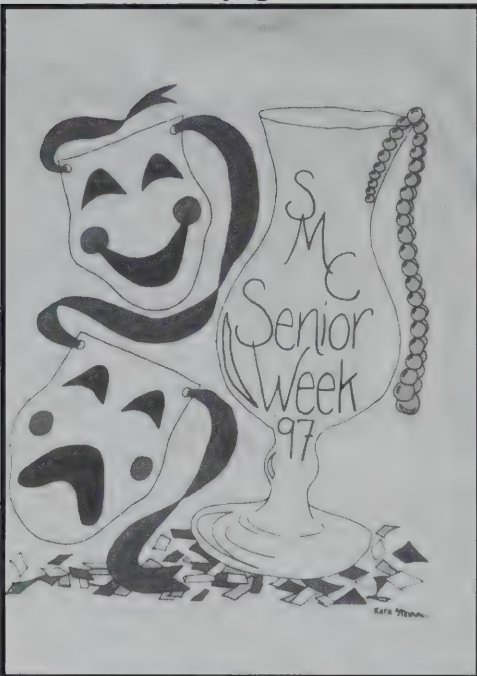

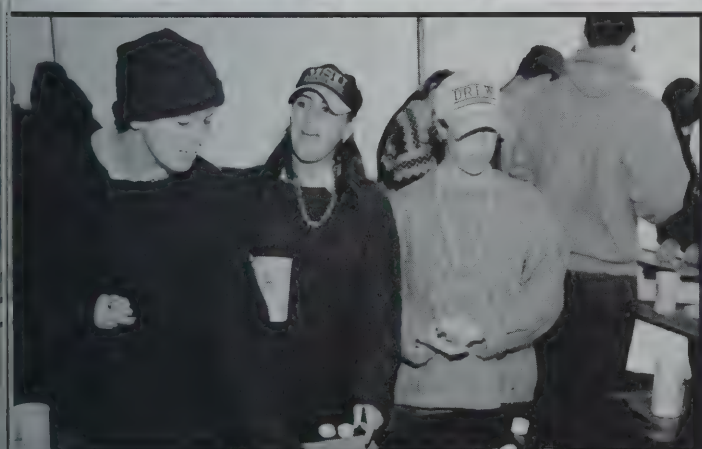

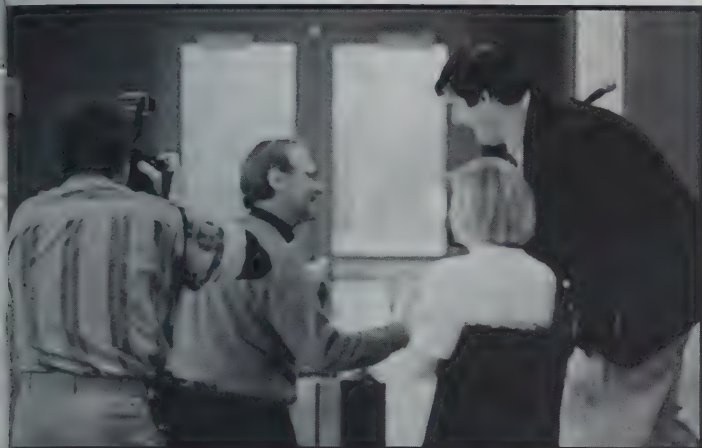

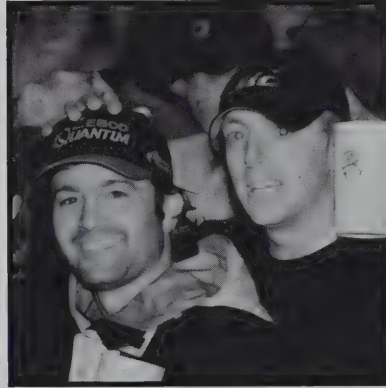

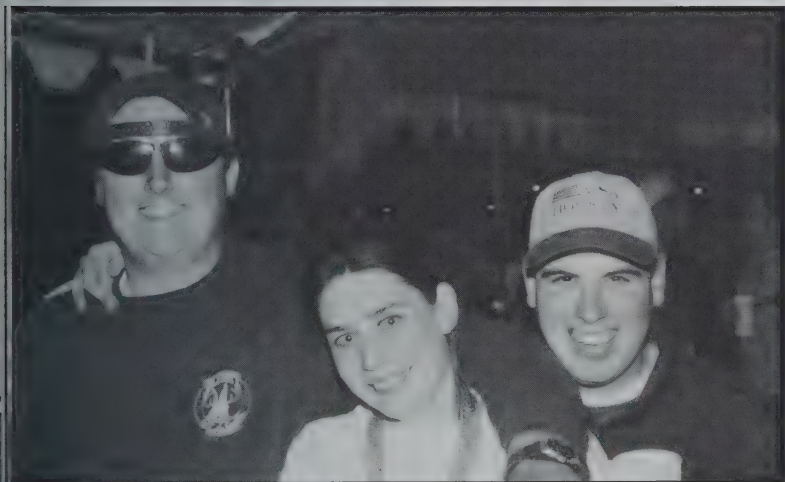

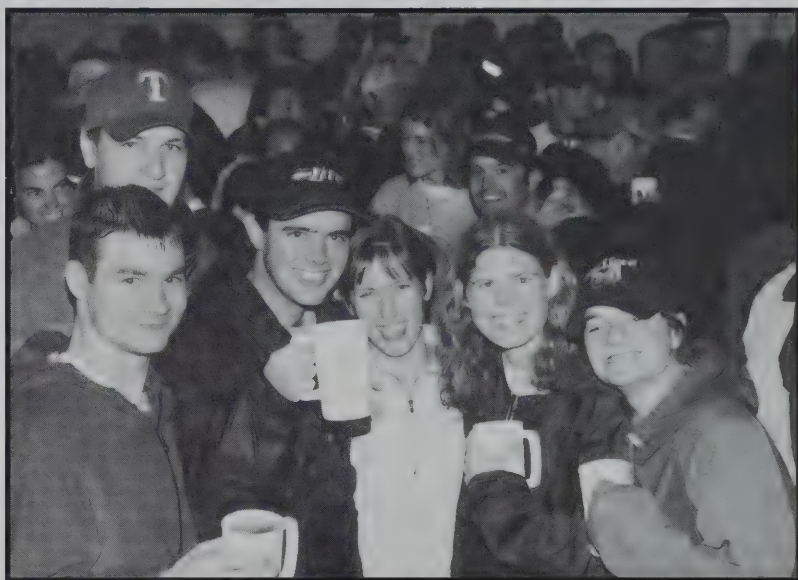

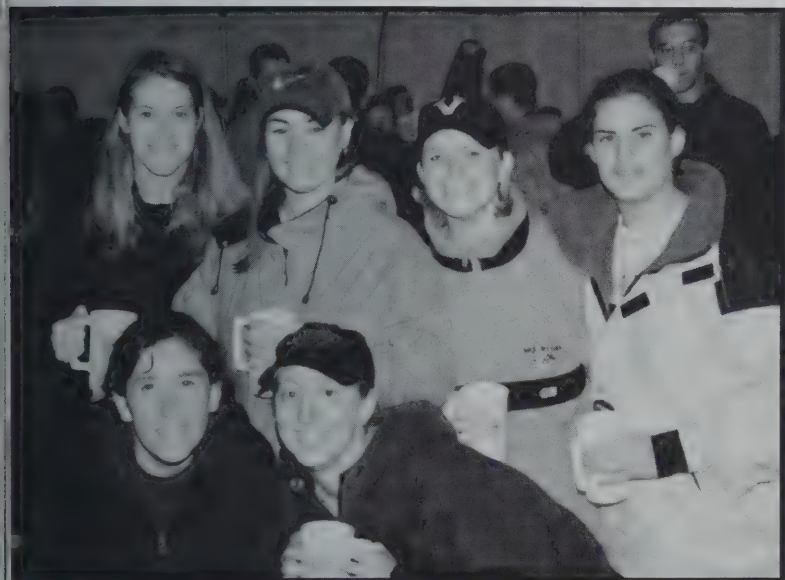

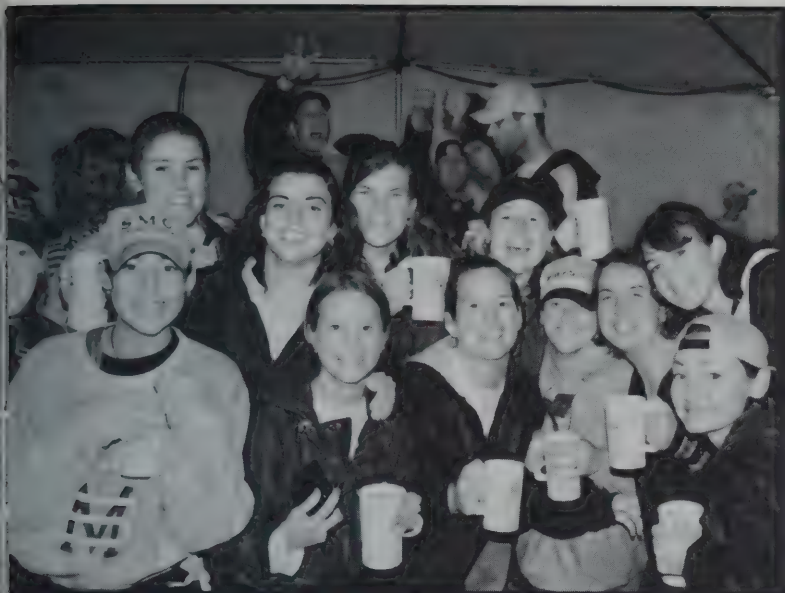

After most of SMC went home for the summer, the seniors stuck around for one last week of fun before they graduated.

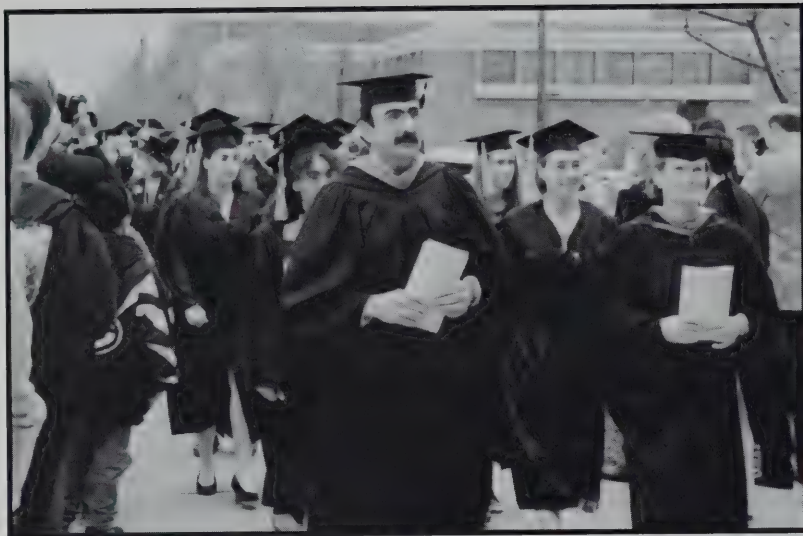

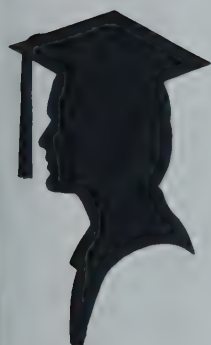

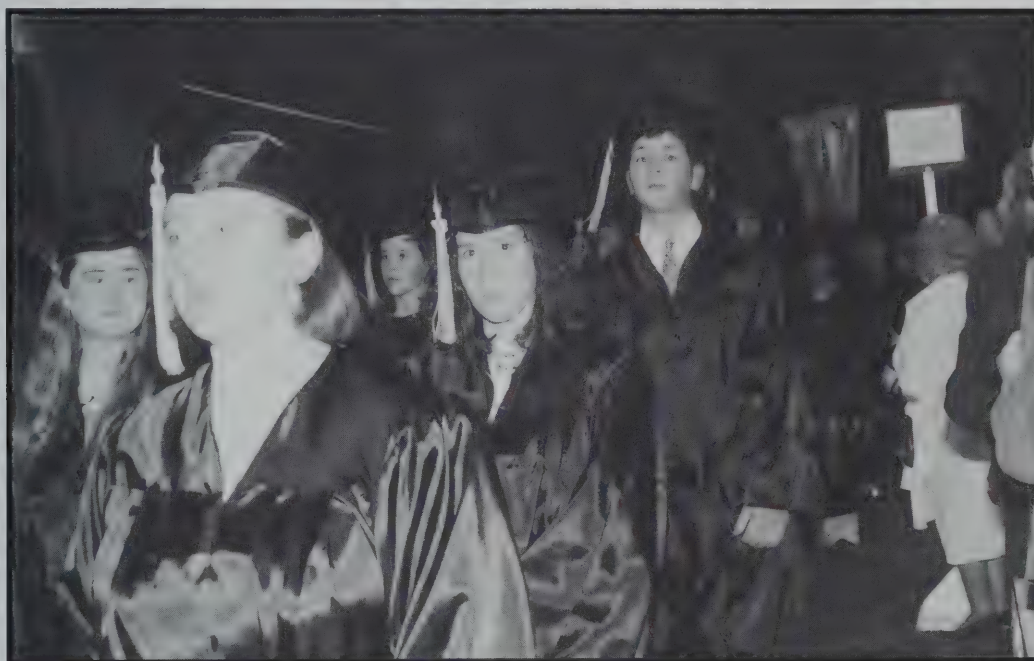

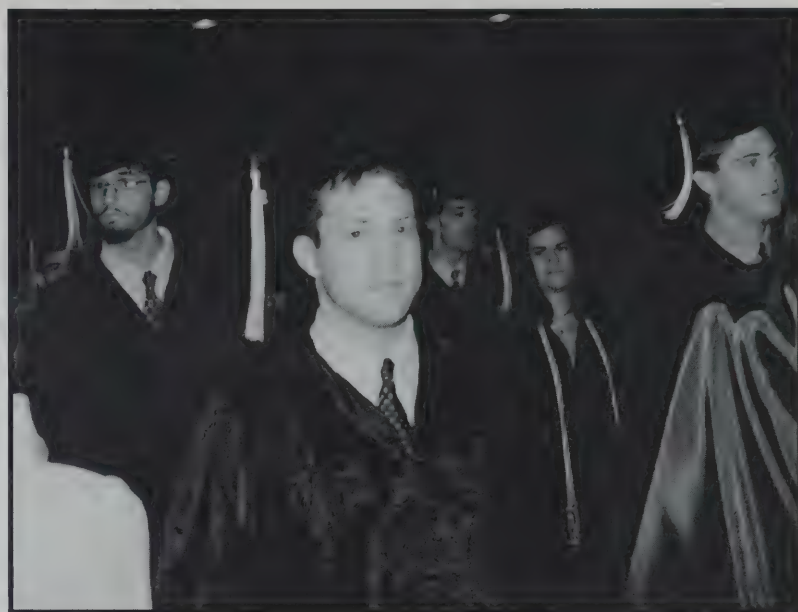

Saint Michael's College ~ Baccalaureate Mass ~

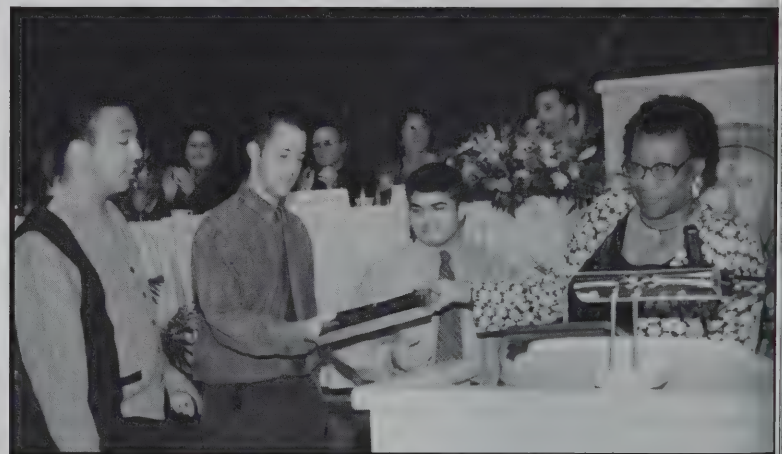

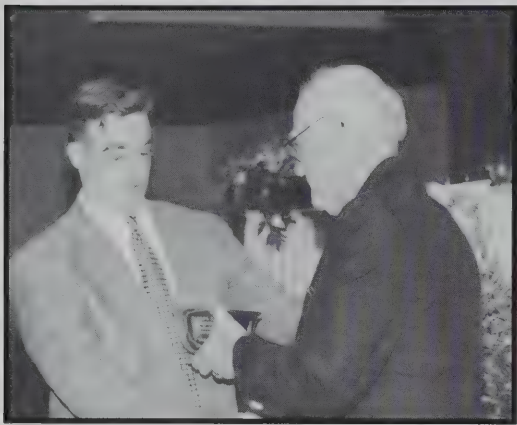

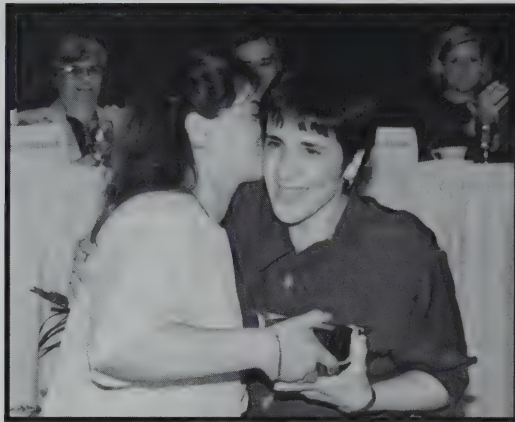

*Saturday, May 10, 1997
The Seventh Sunday of Easter*

Held in Ross Sports Center, the Baccalaureate Mass was led by the Pipes and Drums of the Saint Andrews Society of Vermont. The Grand Marshall was Dr. Carey H. Kaplan. Lectors were Kathleen Bouchard, MaryEllen O'Brien, and Christopher Bates. Christine Bourque was the Alter Server. The entrance song/liturgical dance was "Send Down the Fire" by Haugen; the song for the presentation of gifts was "I Want to Walk as a Child of the Light" by Thomerson; the music during communion was "My Soul is Thirsting" by Joncas; and the recessional was "We Are One Body" by Dana. The Senior Banquet promptly followed the service at 5:45 pm.

CLUBS/ACTIVITIES

The Many Paths of Campus Life

LEFT: The plays, performed at the well-known St. Michael's Playhouse, attract students of every major, whether it be drama, set design, or sound.

Anyone can start his/her own organization or get involved in SMC's 30+ clubs, which feature the arts, academics, social issues, athletics, and more.

LEFT: Members of the Drama Club try to act serious enough for a photograph to be taken.

BELOW: Deb Cabral and Jeff Doucette pose in front of the White House during a trip offered by MOVE to see the AIDS quilt in Washington, D.C.

Student Association Executive Board

The S.A. is the governing voice of the student body and is the backbone of most clubs and activities that occur on campus. The S.A. is an organization run by the students for the students. There are 35 clubs and organizations in the S.A. ranging from Men's and Women's Rugby Club to The Defender. Its budget this year was over \$240,000, all of which goes to the school's clubs and organizations. The S.A. also hosts such entertainment as concerts, including Big Head Todd and the Monsters, P-Day, and other social events.

This year they went to Washington, D.C. for the last showing of the Aids Memorial Quilt, bringing back many awareness issues to campus. All students at Saint Michael's are part of the S.A. and it is their involvement that makes the S.A. successful.

Alliot Governing Board

AGB provides recreational service for the student body in the Rathskeller, including, but not limited to, pool tables, fuse ball table, TV, movies, comfortable and structured areas for relaxation and/or study purposes. The "Rat" is open during predetermined hours, and under the supervision of work study workers. We provide study snacks and monthly entertainment to help students relieve stress. Other duties include recruiting local vendors selling various products to the St. Michael's community. AGB also serves as a liason between the student body and the campus bookstore. In general, AGB shall be responsible for the management and the maintenance of the Alliot Student Center.

Liturgical Choir

Primarily composed of undergraduate students, the Saint Michael's College Liturgical Choir also consists of adult members from the wider worshipping community. The main function of the group is to facilitate sung prayer. Under the direction of Jerome P. Monachino (class of '91), the group is most characterized by an original, eclectic musical style utilizing African, Latin American and Irish flavors to compliment traditional hymn singing. The Liturgical Choir help facilitate all Sunday liturgies, and all major feasts of the entire liturgical year.

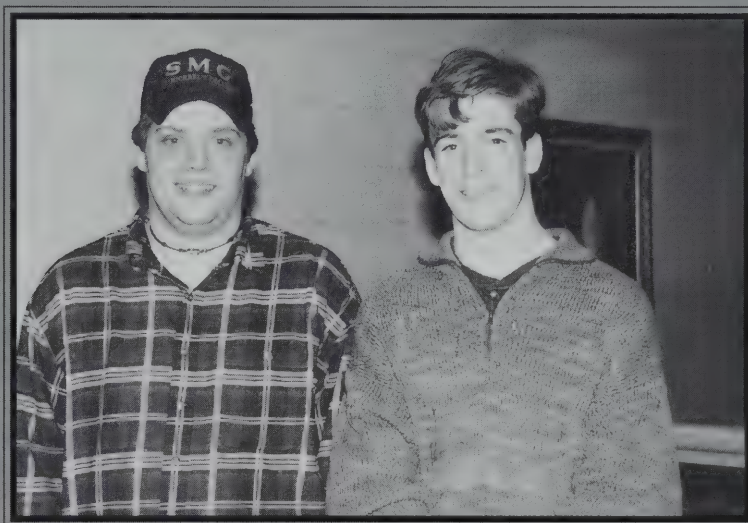

Ben Bishop, Father Mike, Meghan Noonan, Tom Fontana, Simon Doolittle **Missing:** Becky Gallagher

Peace and Justice

Peace and Justice is an important campus organization whose objectives include: increase awareness on social and political issues on campus, provide an outlet for alternative thinking and views, and also to provide students with entertaining and educational activities.

Coffee House

Saint Michael's Coffee House is a student-run committee which provides the community with free entertainment in a nonalcoholic atmosphere. The entertainment ranges from various types of music to comedians to cosponsored events with such organizations as the Student Ally Group and the Diversity Coalition. The audience is provided with coffee, hot chocolate, and snacks to enjoy during the performances. Coffee Houses are normally held once a week in the lobby of Alliot, the Rathskeller, or other appropriate venues. Thanks to a great increase in student interest, and a lot of hard work, attendance was extremely high this year and was perhaps the best year Coffee House has ever had.

Back Row: Randy Orso, Marie Austin, Jenness Balko, Holly Robinson **Front Row:** Hillory Woelkers, Bridget MacLennan, Theresa Krieger, Patrice Evers, Renee Fortin

BACCHUS

BACCHUS, Boosting Alcohol Consciousness Concerning the Health of University Students, provides alternatives to alcohol choices among students. This past year Bacchus sponsored mocktail mix-offs, an Irish culture night for St. Patrick's Day, and various outings, including mini-golfing, bowling, and a skating night. In the spring members also attended a regional BACCHUS conference, reestablishing national ties.

The Outing Club

The Outing Club, based on the "student leading student" principal, consists of a core team of 11 students who are experienced outdoor campers. These leaders are responsible for trip planning, organization and providing leadership for outings ranging from day hikes to ice climbing. The Outing Club also sponsored rock climbing events, kayaking, wind surfing, in-line skating, and mountain biking. With the arrival of more new mountaineering equipment events like ice-climbing, snowshoeing, and Nordic skiing are being planned. Outdoor Recreation Resource also offers an affordable and greatly accepted "learn-to-Ski" program. The Outing Club plans activities for the campus community and anyone from the novice to the experience outdoor enthusiast can have a great time.

Back Row: Jessica Harris, Brent Roberts, Courtney Prestia, Sam Dixon **Middle Row:** Tahnto Coffin, Don Tesini, Greg Cluver, John Kappus, Gerard Volpe **Front Row:** Gretchen Hauck, Keith McCallum, Orville Hartford

Education Club

The Education Club is designed to provide knowledge and experiences in our field that normally are not covered in our courses. The club sponsors speakers to come to campus and discuss school issues such as ADHD, and using technology in the class. The club sets up mock interviews with area principles and panel discussions with student teachers.

This year the club held a Halloween party for the children of faculty and staff. There was singing with Josh Brooks, arts and crafts, and various games!

Drama Club

The Drama Club, led by President Maria Alsen produced two major plays and several smaller plays this year including *The Dentist*, *Top Girls*, *Boys Next Door*, *Mind Your Manners*, and *Into the Starry Night*.

The Drama Club is funded by the Student Association and is mostly run by drama majors, however anyone is welcomes to join and/or audition. Anyone interesting in joining can help out with directing, stage lighting, writing, acting, music, costumes, or something specific that is of interest to them.

Math Club

The purpose of the Math Club is to educate and promote math to the entire campus ands sepeically those with greater interests in math. For example, various lectures are offered in which students may learn about addition math topics that are not covered in lecutres in classes.

If students would like to obtain more information on the Math Club, contact Lloyd Simons, the Math Club Advisor, by emailing him at jstevens.

Class of 2000 Officers

The Class of 2000 enthusiastically brought St. Michael's into the 21st Century. Our journey began in September and the campus has not been the same since. These 450 "Super Knights" have already become quite active within the community whether that be through the Student Association, M.O.V.E., or Athletics. The class of 2000 definitely "let their voices be heard." The class ran a raffle for a student within the class to win free books for a semester, a semi-formal for the class, and Joyce Hall received a vending machine. The class of 2000 can be characterized as being leaders, energetic, spiritual, intelligent, athletic and out-spoken. Although we have a long road ahead of us, we believe we have already left a very distinctive footprint at Saint Michael's.

Class of 1998 Officers

We began the year off by selling SMC LAX shorts, which were a great success. We also held a Winter Semi-Formal at the Ramada Inn on Nov. 22. Second semester we held two socials at RJ's and a Spring Semi-Formal at the Dockside on April 18th.

Meredith Beaton, President, and Shannon Greene, Vice President, worked side by side with Secretary Leslie Taggart, and Treasurers Ann Giovanni and Jared Baker, to make our junior year a success. We have a very energetic group and are all really excited and committed to making the rest of our time here at SMC the best it can be.

Class of 1999 Officers

This year our first major fund-raiser was an exam care package program that was a great success. Over 400 were ordered throughout the four classes and our class made \$1500 on it. On November 15th, we had our fall Semi-formal and made another successful \$1000. Along with another care package we sold T-Shirts and had a spring Semi-Formal during the second semester.

We would like to offer up a special thanks to Mike Ohler, our Sophomore Development coordinator, who has taken on the role as our class "advisor." He's been wonderful. Thanks Mike!!

Back Row: Jen Kossuth (Activity Coordinator.), Erin Walker (Activity Coordinator), Mike Ohler (Advisor), Katie Whitman (Pres.), Whitney Ashe (Treasurer), Liz Cuffe (Corresponding Sec.) **Front Row:** Laura Perez (Activities Coordinator), Jackie Robb (Vice Pres.), Beth Murphy (Rec. Sec.), Mike Mailloux (Alumni Hall Pres.)

Jazz and Wind Ensemble

The Jazz and Wind Ensemble is made up of approximately fifty students, the Jazz group being the smaller of the two. Although they come together to perform in the spring, the two usually practice separately once a week. The major event of this year, in particular, was a performance in Needham, MA.

Being a member of one of these talented musical groups enables a student to earn three Fine Arts credits. Dr. Paul LeClair heads the department and unfortunately he will say good-bye to three seniors this year.

Chorale

Chorale is worth one credit per year and counts toward the fine arts requirement. In the fall, we usually do not sing until the Christmas Concert. We sing Gregorian Chant, Latin pieces, Robert Frost's *Frostiana* and several other things. Our latest work is a mass in Spanish. We have also done Faure's Requiem in the past.

In the spring, we go on tour to different places. Last year we went to Ottawa and this year to Connecticut, Boston, and Nashua, New Hampshire. At each concert, we ask if anyone is willing to give a free will offering to be given to the Burlington Food Shelf.

Chorale currently has 50 members. You do not have to try out, but Dr. Williams Tortolano, the Director, asks that he hear your voice so that he can know who to give certain solos to. The officers this year were President: Kathleen Bouchard, Vice President Christopher Nolin, Secretary Heidi Bouchard and Librarian Andrea Connors.

Snowboard Club

The SMC Snowboard Club has worked hard this past year to promote snowboarding as a sport and to show that snowboarders are serious athletes. As a club we do this through local competitions such as the Green Mountain Series, club sponsored events such as raffles and dances, and trips to local mountains.

We have over 30 members and invite all skill levels from beginner to expert to participate in the fun. Two highlights for the past year were going to the U.S. Open Snowboarding Championships at Stratton and to the Annual Spring Loaded Pro/Am Snowboard Contest at Killington.

Second Semester Defender Members-- In Tree: Hale Hack, Matt Bunting, Mike Brown **Middle Row:** Colin Mulready, David Grenier, Hilary Corrigan, Mike Dwalga **Front Row:** Simone Hofmann, Kristin Scott, Deb Gorgos, Tilcia Delgado, Amy Sinatra, Claudia Sandoval

The Defender

The Defender is a student-run campus newspaper at SMC. Voted the best daily student newspaper in a ten state region in 1996 by the Society of Professional Journalists, the Defender strives each semester to achieve professionalism as the student voice of SMC.

The Defender's staff is comprised of journalism students who have excelled through the college's journalism program. Although anyone is eligible to write for the newspaper, most of the stories are written by student reporters. The newspaper is managed by a team of editors who spend enormous amounts of time and energy producing a quality publication. Editors are graded based on the quality of their product.

In 1997, The Defender will go on-line to further implement its mission to provide all the news at St. Michael's College.

Political Science Club

The Political Science Club is a nonpartisan, nonprofit, service oriented entity which was re-founded during the 1996-1997 academic year for the sole purpose of expanding the political awareness of this institution's entire campus community. Through the facilitation of political and civic involvement on campus and beyond, we hope to integrate relevant political issues into the daily routine of all those who are willing to accept the challenge.

All members of the Saint Michael's community, be it undergraduate, graduate, faculty or staff are invited to participate in the day to day activities of the club. Membership is open to any and all political affiliations as well as academic concentrations. The current faculty advisor is Dr. Williams Wilson.

Back Row: President Marc Newlin, Angela MacWhinnie, Barbara Burnham, Carolyn Maher **Front Row:** Treasurer Kim Carvalho, Vice President Maureen Coots, Secretary Kristen Peacock **Missing:** Meredith Beaton, Heidi Bouchard, Deb Cabral, James Cox, Jon Deforge, Amy Parsons, Brandy Tucker,

STAT

Students Today, Alumni Tomorrow (STAT) is the student alumni association at Saint Michael's. STAT is a student organization committed to making College at large aware of the Alumni Association as well as to encourage students to participate in educational and social functions involving the College and the Alumni Association. STAT strives to develop within the student body an awareness of the significance of the undergraduate as a member of the Saint Michael's legacy. Additionally, STAT helps to cultivate leadership, interest, and enthusiasm for future generations of alumni.

Psi Chi

Psi Chi is the National Honor Society in Psychology. Our Psi Chi Chapter provides those students that meet certain standards required by Psi Chi and the Association of Psi Chi. Membership in Psi Chi is earned honor for life. A permanent record of membership is preserved at the Psi Chi National Office

Psychology Society

The purpose of this organization is to connect students to the current field of Psychology, and to have a say in the subject matter the field considers important. Exploration of the various professional opportunities for the college graduate with a degree in Psychology are considered, as well as discussions regarding undergraduate level work useful to improving the student's chances for employment or graduate school admission. Our mission is to bring students "under the umbrella" that promotes the individual components of their education, including their major, their course and themselves.

Student Ally Group

Ally is an inclusive organization of students, faculty, and staff who are openly supportive of human and civil rights for gay/lesbian/bisexual people and their allies. In keeping with the mission of St. Michael's College, the Ally Group is dedicated to protecting and promoting the individual rights and human dignity of each person. Ally members believe that all people have the right to live honest lives free from harm and discrimination, and that each of us is personally responsible for doing what we can to make the world a better, more just place. Ally provides an open forum for discussion of issues that affect gay/lesbian/bisexual people as well as their friends and families.

Saint Michael's Fire and Rescue 1996-1997

The college fire and rescue squads of Saint Michael's College began in 1969. These hard working and dedicated departments are run by volunteering students of the college. While the fire department last year had 300 plus calls, the rescue team had nearly 1550 plus calls, the second busiest in Chittendon County.

Duty time is split up evenly among members of the departments. When on duty, they are depended upon to make each call. Each member, excluding the captains, is excused from these calls when it interferes with class time.

This past semester, Fire and Rescue performed a demonstration for Parent's Weekend. Simultaneously, victims were rescued from a car wreck and a burning car was successfully extinguished. These departments also assist several other events throughout the year including the bonfire during senior week.

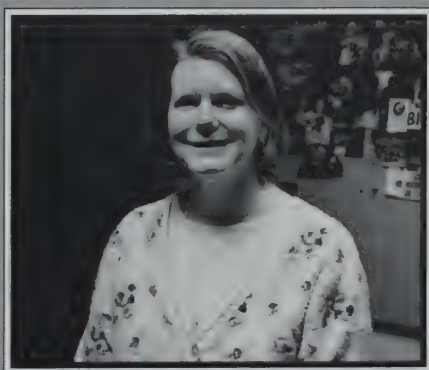

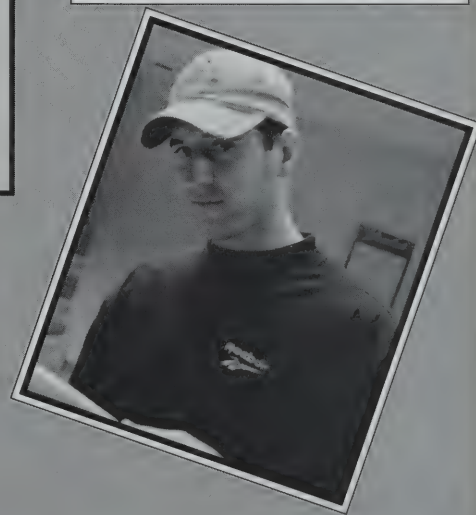

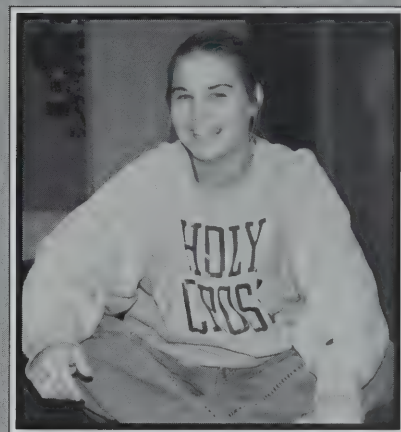

The 1997 Hilltop

Each year SMC publishes a yearbook that quickly becomes a keepsake to all who possess it. It is a book that compiles a whole year of memories into a couple hundred pages. These pages are what will keep the memories fresh in our minds.

The 1997 Hilltop was coedited by sophomores Amy Silvia and Kim Ross. It was created primarily by seniors Mike Madden, Andy Doherty, Alyssa Verachi, juniors Heather Larrabee, Kelly Martel, Lindsey Baxter, and first-year student Rich Pouliot, with contributions by Mandi Thibault, Patricia Cronin, Nicole Serfes, Nicole Abril, Sarah Dodge, and Mary Sullivan. These dedicated members of the Hilltop deserve a special thank you for all their hard work and involvement.

The Hilltop worked closely with Mark Saks from Jostens and Kevin and Anne Macy of Finest Images Photography to complete this book. Our thanks goes out to them as well. Without Jennie Cernosa, our advisor, the staff would not have been able to create this Hilltop, either. Thank you Jennie!!

Finally we want to thank the faculty, administration, clubs and most importantly the Class of 1997 for all their input, help, and cooperation.

The Programming Board

The Programming Board is a major component of the Student Association. This year it was headed by Jen Scola who was in charge of seven subcommittees and the four Class Presidents. The seven committees are Athletics, Advertising, AGB, Special Events, Coffeehouse, BACCHUS, and Peace & Justice.

The Board plans all sorts of events including all class semifinals, weekly coffee houses, BACCHUS mix-offs, P-day, concerts, the hockey fan bus, and the dances. This year, we coordinated the campus movie channel, opened the RAT as a student lounge, created a fun-filled P-day, and who could forget Big Head Todd and the Monsters. This year's Programming Board was one of the best St. Michael's has ever seen. Hopefully you enjoyed all their efforts as much as they enjoyed planning the events.

Special Events: Mike Clarity and Bobby Bailey

I.T. Workers: Tim Proctor, Michele Pisacano, Josh Mesick, Brian Adams, Dan Grant, Bill Knose, Noel Perez, Lori Rahaim, Mike Milinazzo, Amy Burke, Jason Jaskal, Chip Towle, Dave Goodwin, Cindy Yaser, Joe Hadak, Laura Bousquet, Tim Baker, Jeff Fountain, Tom Hanifan

MLK & Alianza

The MLK evolved from an idea by two African American students in 1988. They were concerned that there was no organization on campus to address and articulate the issues and problems most relevant to students, however small the number, in the African American community at SMC.

MLK has been defined as an interracial/intercultural organization of students who interact to promote multicultural awareness, sensitivity, diversity, and the principles of Dr. King. It plans and implements a variety of social, educational and cultural programs and activities. Membership is open to anyone, although currently most members are African American.

Computer Club

The Computer Club sponsors a number of computer-related activities, such as talks given by outside speakers on various topics, and an annual intracampus programming contest.

This year, the topics spoken about by the speakers included user interface design and network security. The Computer Club also sends a team to an annual programming contest against other colleges from the Northeast and Canada.

Men's Rugby Club Sport

Just as there is a women's rugby team at St. Michael's College, there also exists a men's team. Although it is not yet considered a full-fledged varsity sport, the game is taken very seriously at SMC and the participants play just as hard as any 'regular' sport.

The team is fairly large and it encourages anyone to join. Since it is a club sport, it provides a great opportunity for newcomers.

After a smooth season, the team looks forward to next year. Good luck!

Onion River Review

The Onion River Review is an annual literary magazine that contains the work of students and faculty of Saint Michael's College. The magazine is a collection of fiction, poetry, prose, photographs and artwork. Emily McLaughlin and Mathew Walsh edited this year's magazine. Their roles included publicity, gathering submissions, selecting material, editing and designing the magazine, and working closely with Colleen McLaughlin and Printing Services to design and assemble the magazine.

The Philosophy Club

The club is one of the few clubs on campus that encourages the free exchange of intellectual ideas, and (Consequently) is one of the few (if not the only) mediums of extracurricular intellectual stimulation. Historically the philosophy club has taken field trips to Boston and has viewed film and plays as a focus of discussion during club meetings.

The Philosophy Club is open to all students and Philosophy majors and minors are automatically considered as club members. The faculty advisor for the club is Professor John Izzy. At times the club works in affiliation with the Philosophy department in inviting guest speakers from other collegient institutions to St. Michael's to present their work.

Women's Rugby Club Sport

The Saint Michael's Women's Rugby Club was established in 1992. Since then the club has expanded, having its largest turnout in the fall of 1996.

The club would like to thank this year's graduating seniors for all their enthusiasm and dedication. A special thanks to Dr. Facey for being everything to us. We love you. To the future of the rugby club: Good luck, have fun and don't eat too many cookies.

Women's Rugby Club Sport battles strength against strength in practice.

Strabotomy

Strabotomy is an alternative magazine, started and run by students. Each semester, Strabotomy publishes cutting-edge fiction, poetry, interviews, essays, photographs, and artwork created by students, faculty, and other contributors.

The Diversity Coalition

The primary goal for the Diversity coalition is to encourage open dialogue educational opportunity, and the chance to celebrate diversity in all human culture and experiences through such means it is possible to break down the barriers founded by ignorance, fear, and homogeneity.

M.O.V.E.

M.O.V.E. (Mobilization Of Volunteer Efforts) is a broad-based campus volunteer program which provides students with an opportunity to learn, be active, and have fun through community involvement. It is an organization of the Office of Campus Ministry at SMC, and Ann Giombetti is the head of it. MOVE coordinates many programs including the following: O.V.E. (Outdoor Volunteer Efforts); A.I.M. (Athletes in M.O.V.E.); Senior Citizens, Little Brother/Little Sister, Best Buddies; Swim Program; Corrections; Woodside Rehabilitation Center; Temporary Relief; Women and Family; Extended Service; Special Events; International Friends; Winooski Recreation and Tutoring; and Faculty /Staff/ Alumni Programming; After School Games. These programs are open to everyone and involvement can be long-term, short-term, or simply a "one-shot" deal. The M.O.V.E. Office is located in Room #124 in Alliot Hall, so stop in anytime to become involved.

Men's Soccer

The 1996 Men's Soccer team was a competitive, gusty team that improved on previous years' performances and continued to improve as the season progressed. The team was led by the senior Captains Dave Dallaire, Ryan Clancy, and Mike Tortalano, who were the anchors of the defense, allowing the games to remain close late into the contest. These three seniors, all that remained from a freshmen class of 40 players, demonstrated exceptional dedication and determination during four years of disappointing results despite high expectations. The 1996 season was highlighted by the establishment of a new SMC team scoring record of 30 goals and a competitive game against NE-10 champion Merrimack and Plymouth State, both of whom defeated St. Michael's in previous years. The team ended the year on an upward swing with many of its talented, young players. Next year, they hope to improve upon this year's five shutout victories and find replacements for the three pivotal graduating seniors.

Women's Soccer

The Women's Soccer Team improved considerably this season compared to their record last year. A major factor in this improvement was the arrival of several first year students and three veteran seniors: St. John, Letiecq, and Nicolazzo.

The team was very close to being in the tournament, it even came down to the last games of the season. However, Saint Michael's College did post some big wins against New Hampshire College and Quinnipiac College.

The next few years look good for the Women's Soccer team. Good Luck!

Women's Volleyball Has Frustrating

RIGHT: You will never know what you are capable of accomplishing until you try.

Women's Volleyball

This season was a rebuilding year for the Saint Michael's Women's Volleyball. It was a young team led by outstanding senior Kerrienne Forrest. During Kerrienne's first and second years, the team had winning seasons. In 1994 the team was invited to the ECAC tournament for the first time ever in the college's history.

The volleyball team hopes to return to the top of the NE-10 standings in the next few years under the leadership of Nicole Brown and Annalyn Gilchrist. First year starters, Allison Libby and Andrea Sadowski will also provide a strong backbone for the team.

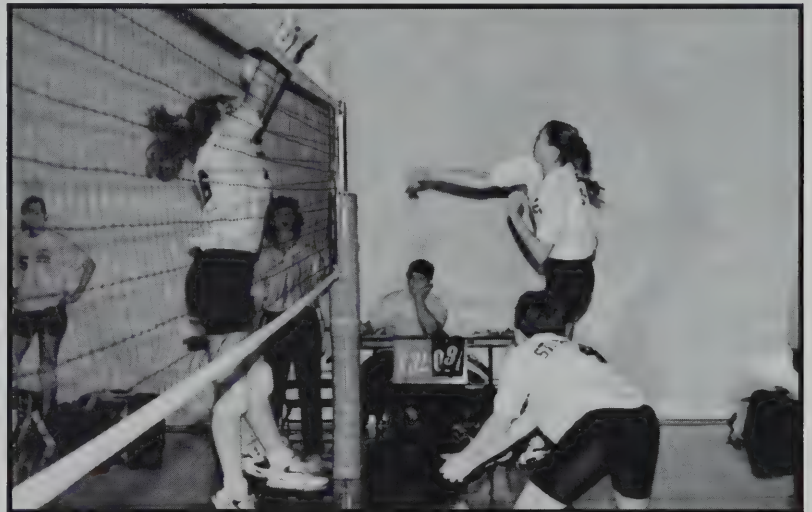

Season But Looks to the Future

Women's Field Hockey

The Saint Michael's Field Hockey Team finished their season with a record of 12-6. The team made it to the first ever NE-10 Conference tournament where they played Bentley in the final game. These two teams were tied at the end of regulation time, but SMC lost after playing two 15 minute 7 on 7 overtimes and two rounds of penalty strokes. Although this was a heartbreaker for the team, many players received awards for their individual achievements. Laurie Parsons, Jen Hunt, and Nicki Collette were NE-10 first team all-stars. Mande Galbraith and Tara Whalen were second team all-stars and Erica Lowell received an honorable mention. Tara Clarke and Mande Galbraith were named Senior All-Stars and played in the game at Boston College.

Throughout the seniors' four years the Field Hockey team has compiled a record of 44-20. Their highlights of these four years were beating UVM for the first time and playing in the ECAC and NE-10 finals. Coach Anne Adams also got her 100th win during the 1995 season and was named coach of the year in the NE-10 Conference. These last few years have proved very successful by the recognition of being a nationally ranked team.

Women's Tennis

The Saint Michael's Women's Tennis team had a great 1996 season! With five returning players and seven newcomers, this young team worked together to achieve a high spirited and supportive community. The team finished seventh in the NE-10 Conference for regular season play and fifth in the NE-10 Championship Tournament. First-year student Kelly Spelman was a strong addition to our team, undefeated in the #1 singles position for the season and advancing to the #1 singles finals in the NE-10 Championship. First-year Jen Craver also had an impressive season in the #5 singles position. Only senior Megan Saver finished her career with a strong attitude and great confidence in next season's Co-Captains, Nicole Auclair and Simone Hofmann, and all their teammates to conquer the heavy mental challenge of such a game!

Junior Amanda Grasso had a great season overall, having more wins this season than last.

Freshman Kelly Spelman and Senior Megan Savor, even though they didn't know each other before this year, proved to be compatible tennis players on the court.

Women's Cross Country

The Saint Michael's Women's Cross Country team, lead by Captain Amy Vile and Emilie Mahood, completed a successful season on November 9th while running through the mud in Slippery Rock, Pennsylvania.

Once again the team enjoyed not only the success of its runners but also the camaraderie they were able to find in each other. There were happy to welcome back all the runners from last year as well as some new additions. The young team, consisting mainly of first-year students and sophomores, was especially excited about their second place finish in the Vermont State Meet. With the loss of only one runner for next season they hope to continue their success next year. The captains would like to extend their thanks to the dedication and hard work of all their teammates and especially to their coach, Steve Dowd.

Men's X-C Has Strong Showing

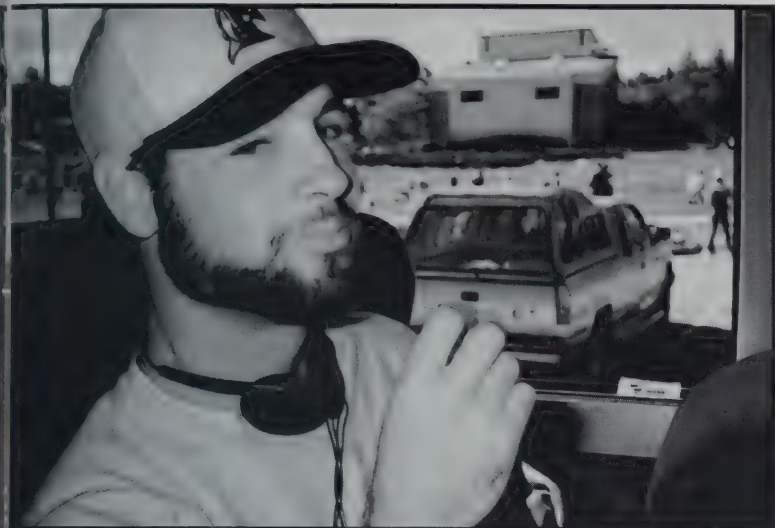

Men's Cross Country

The Saint Michael's Cross Country team had a positive and invigorating season this past fall. Lead by freshmen Ryan Boyson and Sean Rooney, the team started off the season with a 2nd place finish at the annual SMC invitational. Then the Knights continued to keep their pack of runners in front to capture another 2nd place victory at the Bryant invitational. At the Vermont State meet which was held at Johnson State, seniors Chris Guerrette and Sean O'Brien helped the Purple Knights come in 2nd, beating Middlebury, which had not happened since 1992. The X-C team also placed well at the NE-10, finishing 4th in a strong field of talented teams.

Losing only two seniors, the team will be in good shape for next season. Juniors Adam Ashe, Hale Hack, and Bob Bergeron are sure to bring success!

Golf Team Wins Big at VT Tournament

Golf

The Saint Michael's Golf team improved from last year. This year the team won the Goss Tournament, the College Tournament of Vermont. Junior co-captin Jeremy Goulet achieved first place with a low round of 77. Dave Merch also contributed to this victory.

Dave is the only player graduating, so a core of solid players will be returning for next year. Hopefully then the team can accomplish even more.

Swimming and Diving Teams Work

Women's Swimming

The Women's Varsity Swim Team had a successful year. The beginning of the season was very promising with the addition of six first year students. Senior leaders Kaeley Steinnagel, Danielle Nyholm, and Shauna McMahon also helped the team win its fifth season in a row. Records were broken by many team members. In addition, Steinnagel was recognized as the MVP. The future looks very promising for the team.

Hard Despite Their Small Size

Men's Swimming

The Men's Varsity Swim Team had another successful year under the leadership of senior captains Sean Crowley and Ron Ommerborn. Crowley placed in the top five for the 50m back stroke at the New England Championships and was named MVP. Next year he will be greatly missed, but hopefully the team's size will grow with incoming first-year students.

Lady Knights Continue to Improve

Women's Basketball

The 1997 Women's Basketball team improved their record from last season. Despite still having a losing record, the team did have few bright spots.

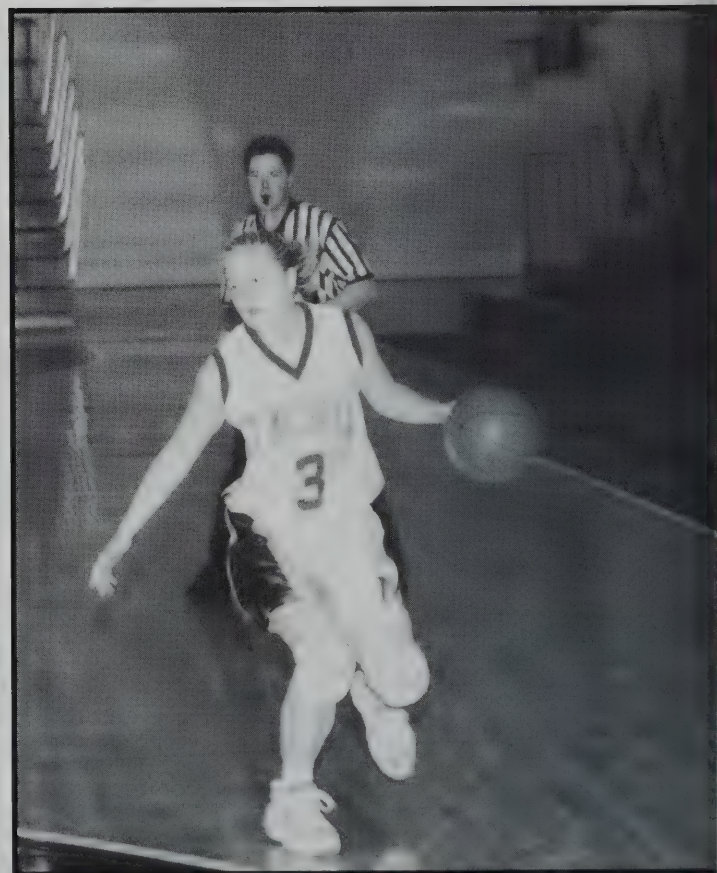

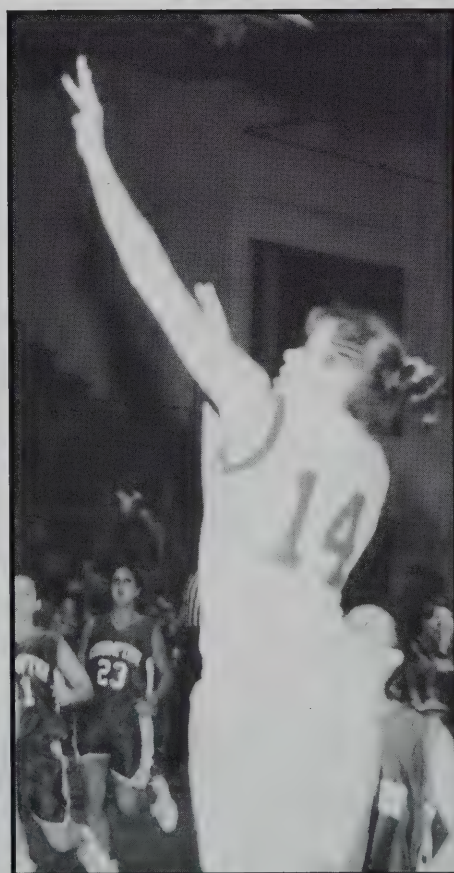

Kelly Borch had her 100th block as a sophomore and the team looks forward to her contributions in the future.

The team's only senior, co-captain Suzanne Alley, was provided the young team with experience and leadership.

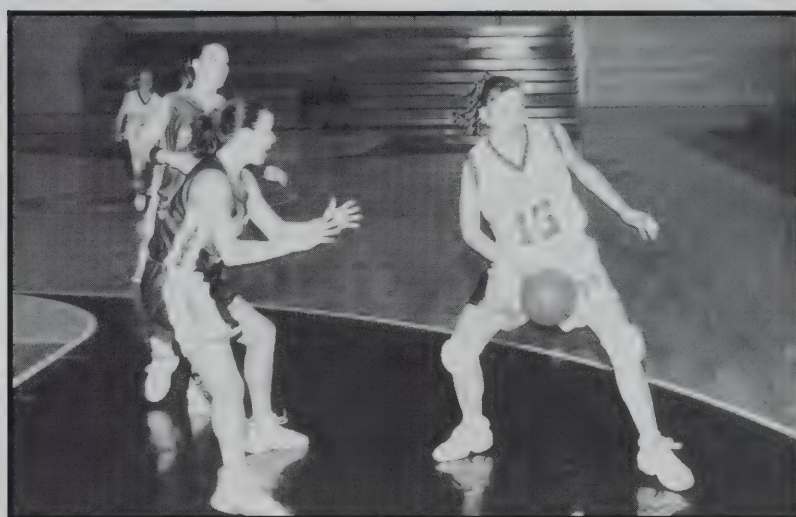

Carolyn Demyon, the junior center from Connecticut, brought a lot to the team this year, too. She was the leading scorer last season and continued on the same path this year as well. Her talents will be crucial to next season's success.

Co-captain Diana Koehler, a junior, will also be crucial to the success of next season. She led the team last year in number of minutes played.

The 1998 team will depend on the hard work and dedication of the players, and they are hopeful for a winning season.

Men's Basketball

The 1997 Men's Basketball team had its best season in over a decade. Led by seniors Mark Mulvey, Mark Fizulich, Geoff Card, and Jay Wandtke the Knights won their conference and went on to the play-offs.

This season was a culmination of hard work and determination by the entire team.

With two 1500 point scorers (M. Mulvey and M. Fizulich), the team was assured success.

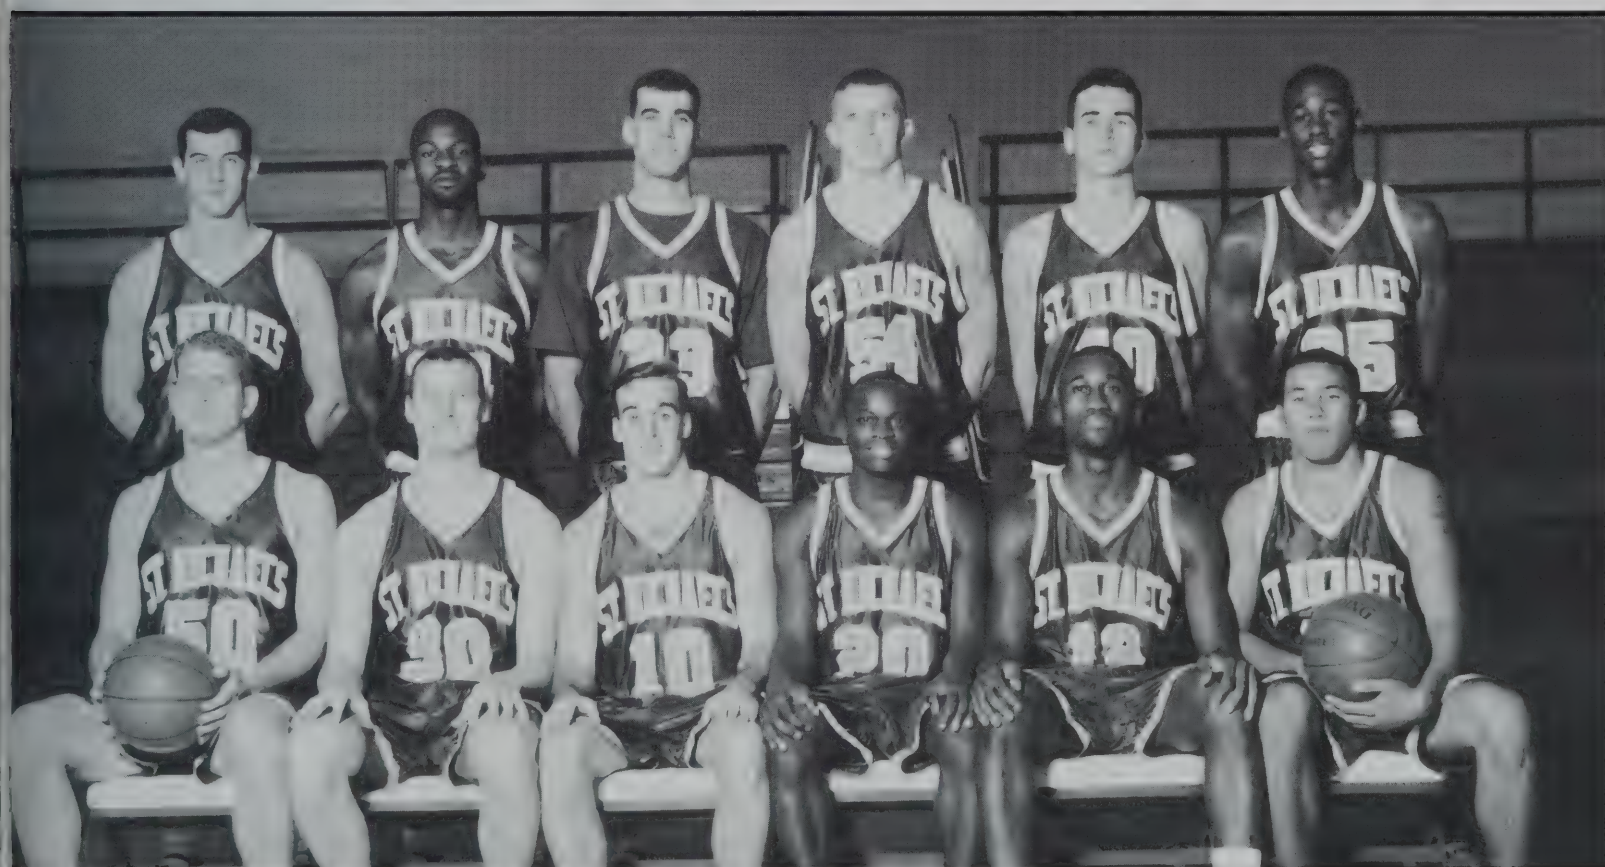

The underclassmen have some obstacles to overcome next year. With the departure of four key players and the long time head coach, the team will be starting fresh under new leadership. Good luck to all, and many thanks to Coach Tom Crowley.

The Ski Team Has Fun and Success!!

Nordic Skiing

The Men's and Women's Nordic Ski team summed up its season with the statement, "We had fun!!" The team consisted of senior Emilie Mahood, junior Amy Vile, sophomore Elizabeth Burke, and first-year-student Amie Rennie, as well as Ryan Boysen, Corey Hahn, Zach Kramer, Matt Moon, and Johan Myhr.

The team was faced with freezing cold, rain, and icy courses, but they managed to pull through with a few top 30 finishes. The women will only be losing one member next year, and the men will be losing none...so they all expect (and hope) to improve in the upcoming season.

Alpine Ski Team Switches to Stowe

Alpine Skiing

This year the Men's and Women's Alpine Skiing Teams finished the season with their best combined rankings since the switch to Div. I in 1993. The team finished 7th out of 15 competing schools. In Division II, SMC trailed behind Colby College in 2nd place.

The 14 member team led by senior Peter Fleckenstein welcomed the switch to Stowe as a training site. The switch proved effective, and enabled a solid core of first year skiers to step up to the stiff Div. I competition.

With alumni support, the loss of only one skier, and strong recruiting efforts, SMC has the potential great success possibly in Division I.

Baseball has Tough Year

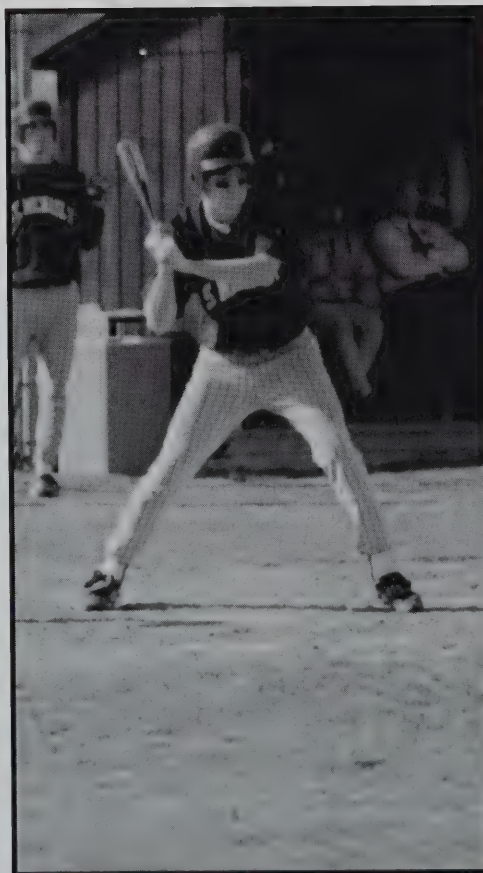

Baseball

The Saint Michael's Baseball team had a disappointing season. The team only posted one win for the year, going without a win in their conference.

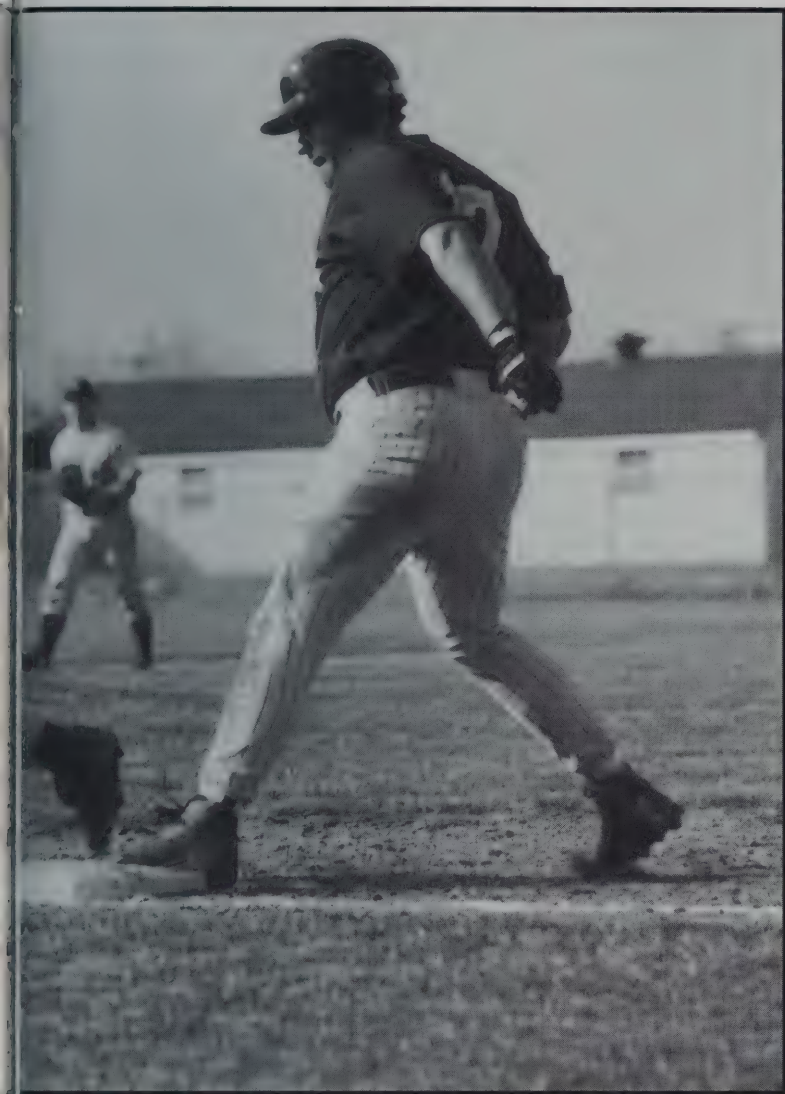

The off-season was rocky for the team as well, and several members were asked not to return to the team.

However, senior captain Matt Baker had a good year on the mound as well as at bat. Yet the team was unable to realize their potential.

Hopefully the team will be able to use the next few seasons to rebuild and improve. They are wishing for a winning season in the near future.

Ice Knights Pull off Best Season in

Men's Ice Hockey

The Saint Michael's College Varsity Hockey team enjoyed its finest season ever. Captains Tom Pavao and Geoff Downing led the Ice Knights to a record setting 17 win season. The Ice Knights finished second in the ECAC central and their 17-6-1 record led to a fourth seed in the ECAC playoffs. The team entered the playoffs as a strong favorite after beating the first three seeded teams during regular season. However, they upset the fifth-place team from UMass-Dartmouth.

John Gurkis and Michael Dupont had strong seasons, leading the Ice Knights in scoring. The great performance by the 1996-97 Ice Knights earned Coach Lou DiMasi "Coach of the Year" honors. Congratulations to Lou and the entire team!

Men's Tennis

Under the guidance of first-year coach Steve Latulippe, the Men's Tennis team landed their best finish ever (4th) at the NE-10 tournament. They earned a 6-7 record during the regular season.

Playing in the #1 spot for SMC was senior co-captain Keith Atchinson who posted a 17-11 overall record and advanced to the first doubles semifinal in the tournament. The #2 seed was senior co-captain Andy Hescok who scored a 16-11 record overall and also advanced to the first doubles semifinal. The #3 seed was junior Rob O'Brien who posted a 15-15 overall record and won the third seed consolation championship tournament. Playing at #4 was sophomore Eric Braun whose record was 14-15 overall. The #5 player was first-year student Jeff Hyde who was 11-11. Playing at #6 was senior Tim Proctor who, with his partner Jeff Hyde, advanced to the third doubles semifinal and singles consolation round final in the tournament. Other contributors were Scott Condon, Brett Lewis, Pat Small, and Peter Rich.

Four Seniors Lead Women's Lacrosse

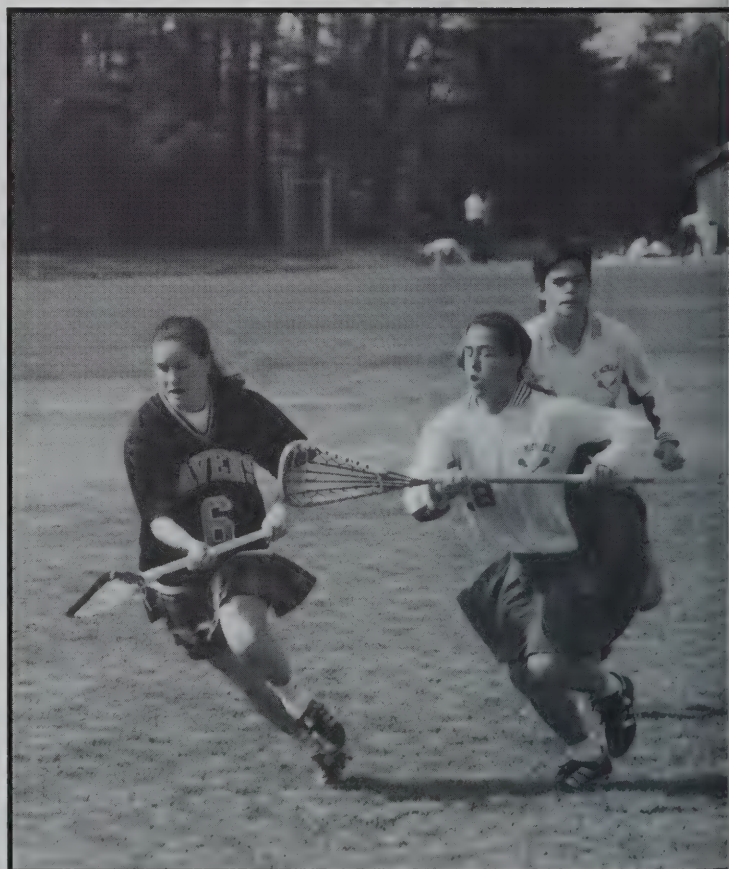

Women's Lacrosse

The 1997 Women's Lacrosse team had an outstanding season. Having its best year in four years with a record of 9-2 the Lady Knight's were the talk of the Women's Lacrosse circuit, led by seniors Megan Vendetti, Courtney Dupree, Mande Galbraith, and Kate Flynn.

According to Megan Vendetti "the team was able to pull the experience of four seniors together to accomplish a great season!"

Senior Mande Galbraith was a special star, breaking national records with her assists.

Next year's team will be young -- but with team work and motivation they will be able to accomplish a lot.

Young Men's Lacrosse Team has

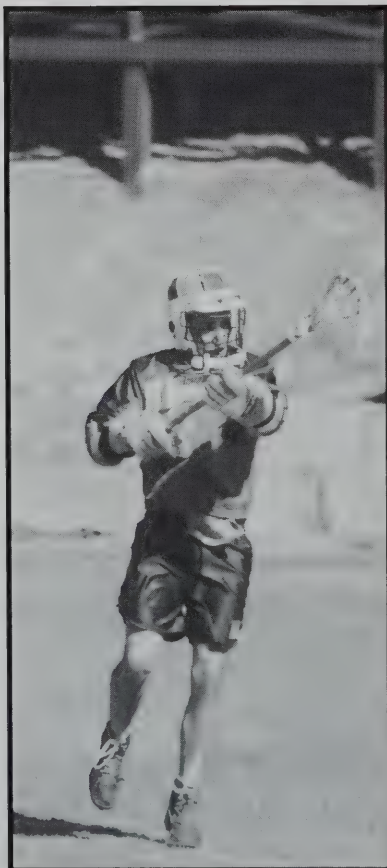

Men's Lacrosse

The 1997 Men's Lacrosse team had a good season this year.

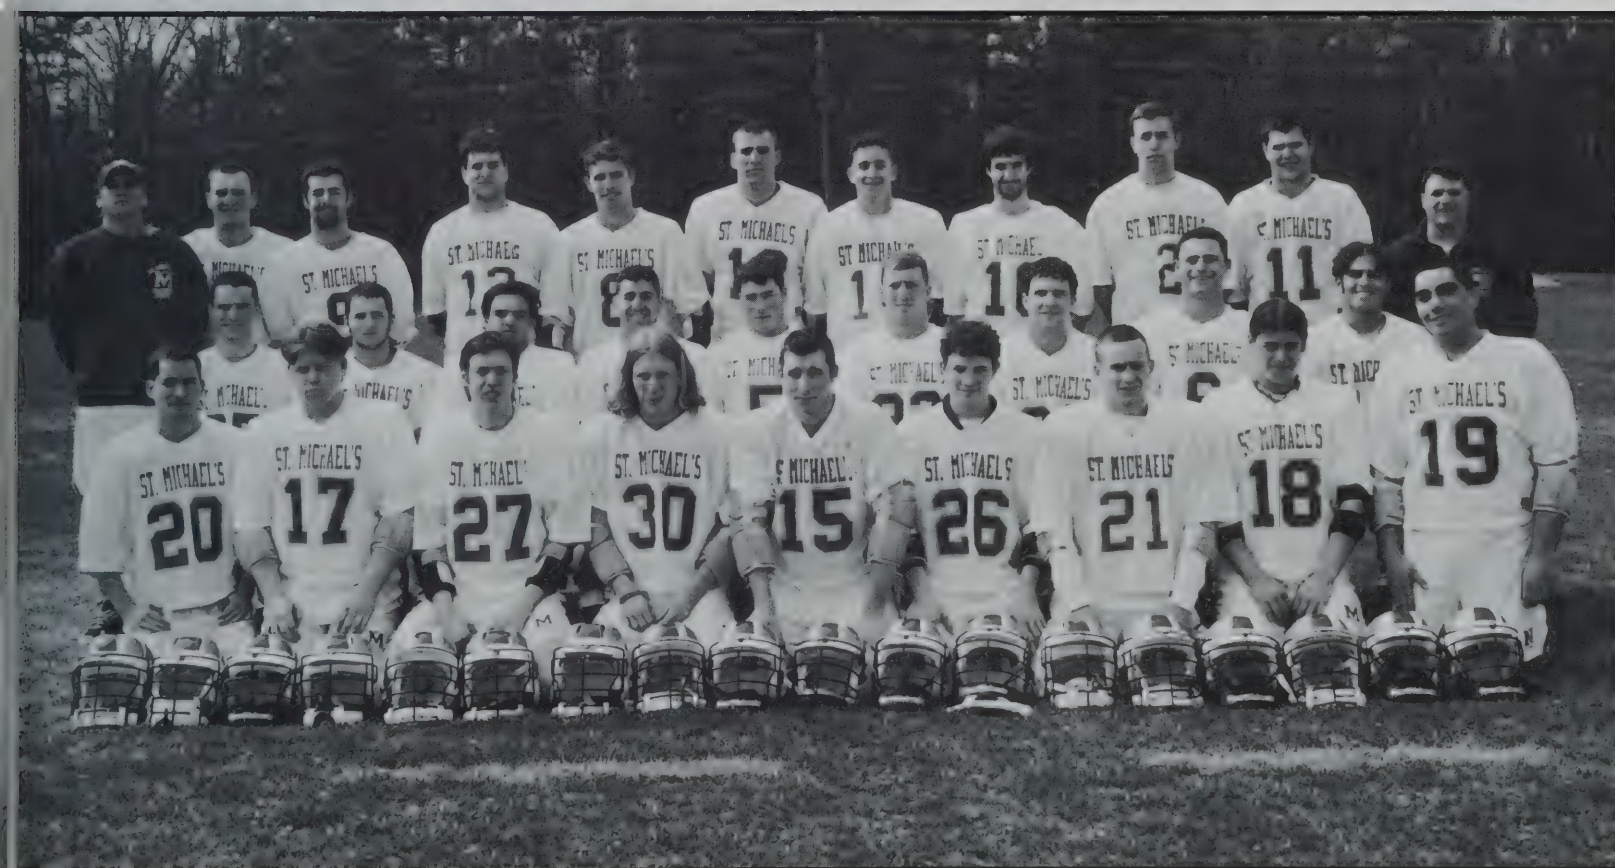

With a record of 8-5 the team was led by its three senior tri-captains Andy Doherty, Josh Fleury, and Mike Marino.

The Knights made it to the first round of the play-offs but were defeated by LeMoyne College. However, the team was not discouraged by this loss.

The team is still very young, consisting of twelve first-year students and six sophmores. The future looks very bright and this team will surely have many play-offs in the years to come.

Softball Team's Positive Attitude

Women's Softball

The Lady Knight's Softball team was much improved over their last season. Setting goals was their key to success.

Junior Shannon Dufrensne was quoted as saying "We set goals and were able to achieve them - next year looks like it will be a good season." The goals she was referring to were improving the team batting average, overall record, and the attitude of the team.

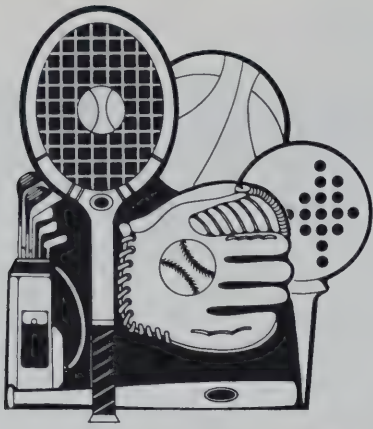

With virtually every player returning next season, including first year Jennifer Kielbasa who had a great year, the Lady Knights are hoping to continue to improve their game and work together.

P-Day Weekend

On April 25th, 26th, and 27th, the whole campus celebrated 'P-Day Weekend.' It was a gorgeous time for the festivities, with sun every day!

On Friday night there was a showing of *The Rock* at a 'drive-in' movie theatre in the 300's field. To watch the movie, students brought blankets, chairs, and couches outside instead of cars.

Saturday was the big celebration day. Outside were many rides and games, as well as venders who sold lunch and snacks. In the late afternoon several bands played, including senior Josh Brooks' and sophomore John Kulsick's bands (both from SMC). The Rustic Overtones from Maine put on a great show, too.

This was the first year SMC didn't have a keg tent available to those who were 21 and over... however everyone still had just as much fun as ever!

Big Head Todd & The Monsters

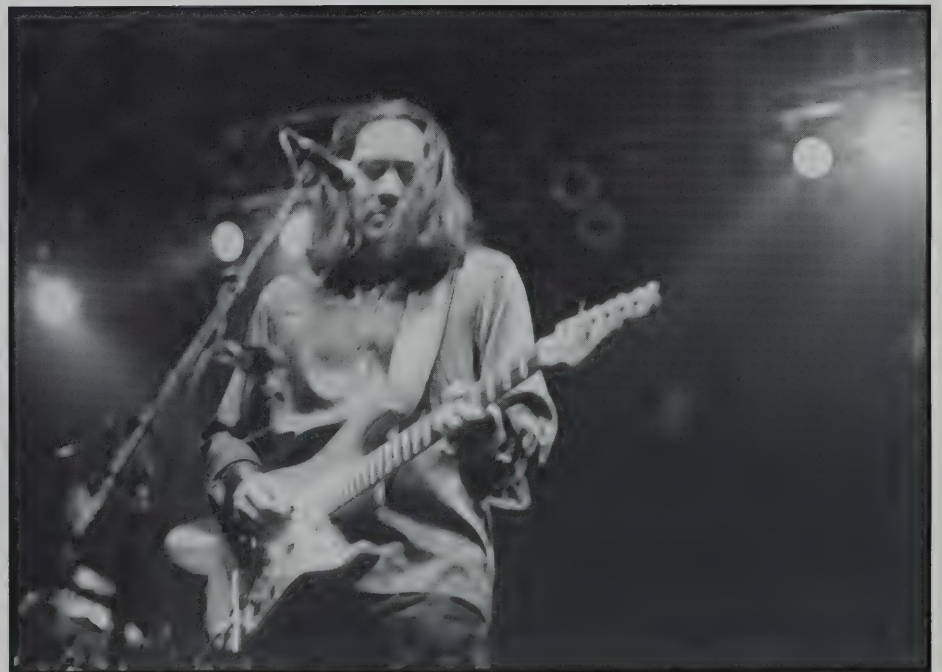

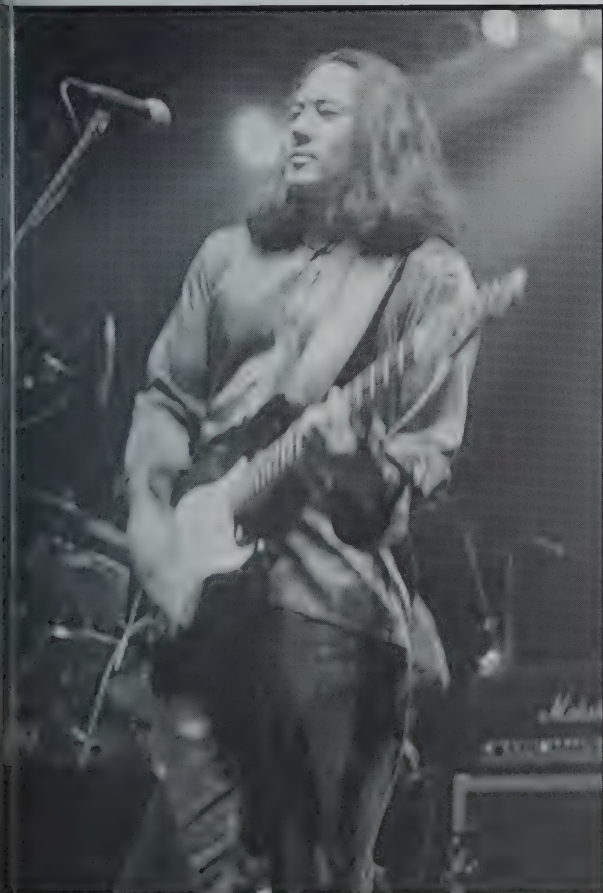

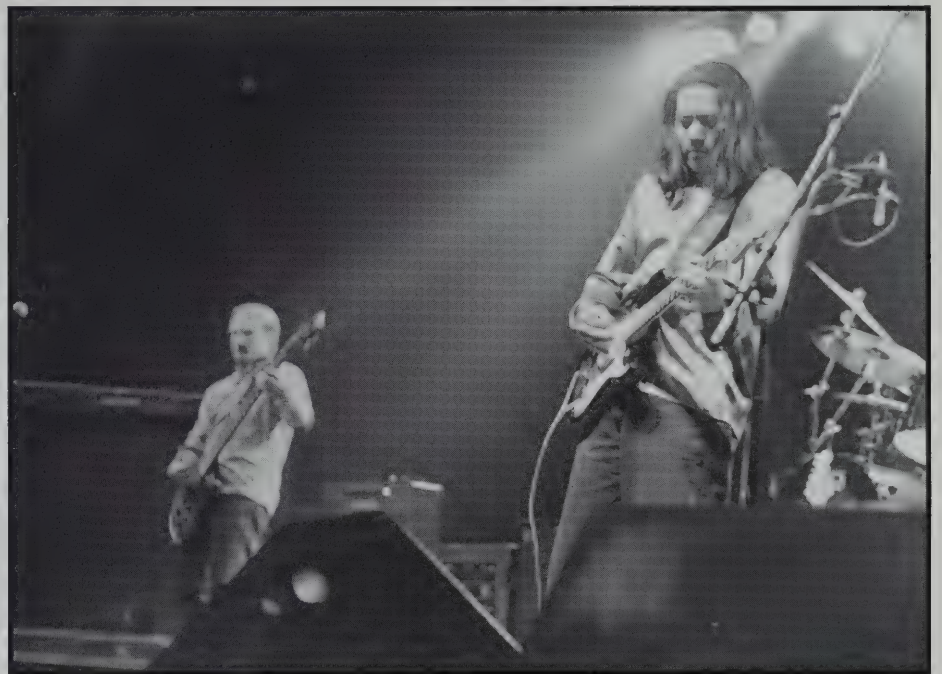

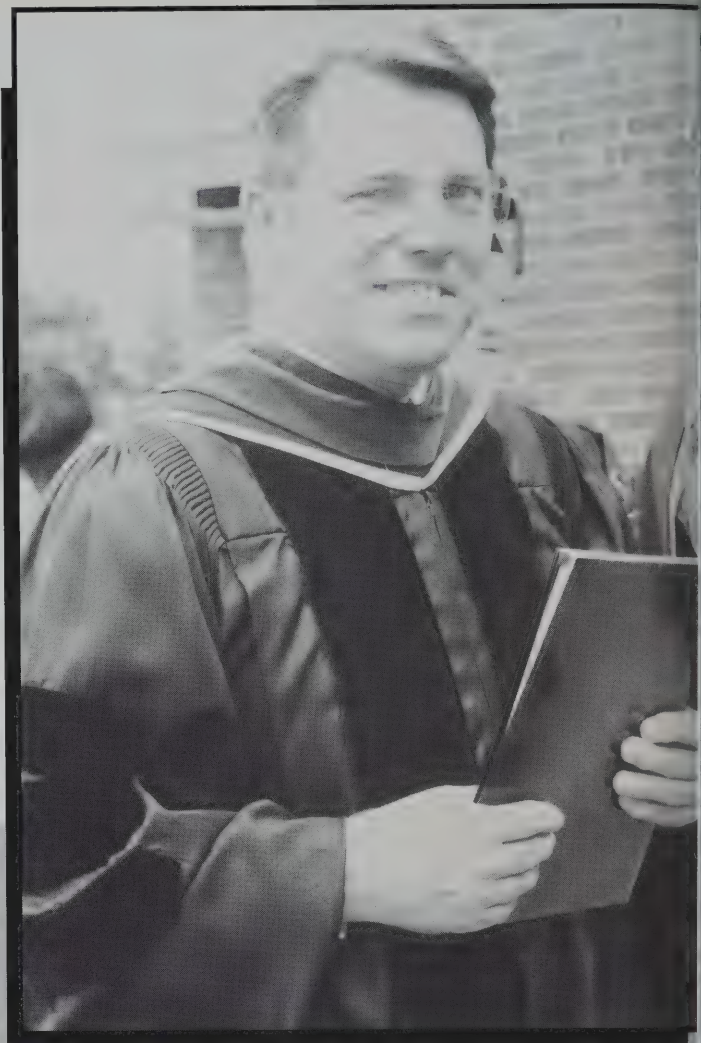

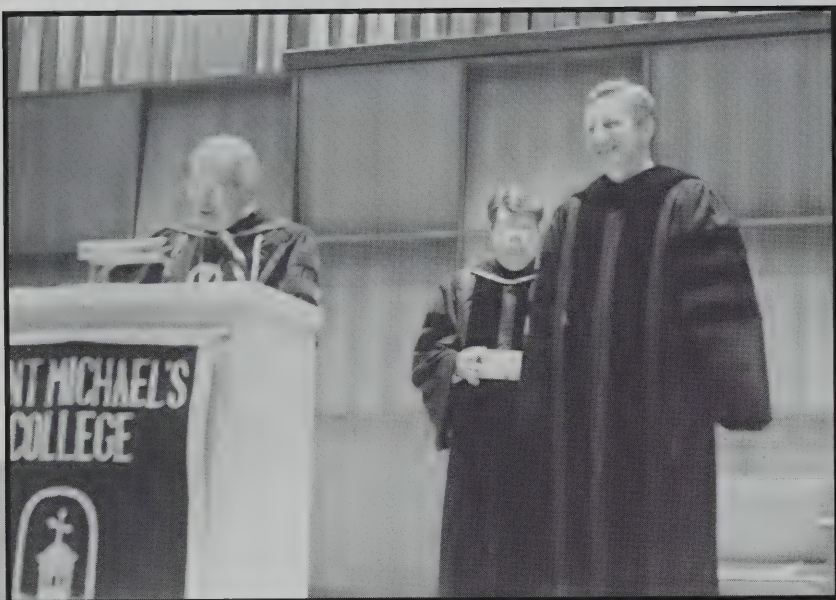

Each year, the Special Events committee (under Programming) organizes a concert during either the fall or the spring.

Last year's show featured George Clinton and the Parliament Funkadelic. This year it was Big Head Todd and the

Monsters.

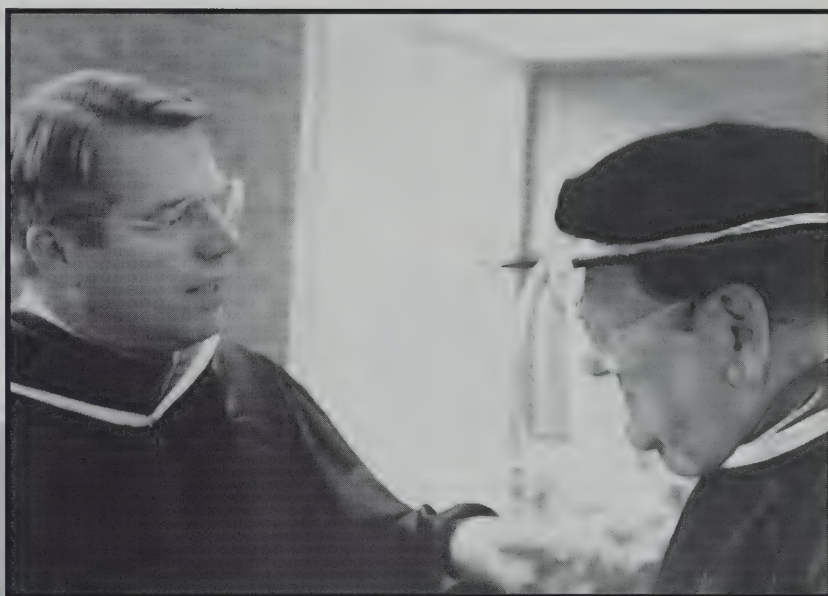

The Ugly Americans were the opening band. These two groups performed in Ross Sports center during first semester, and the show was open to St. Mike's students as well as the general public.

Inauguration Weekend

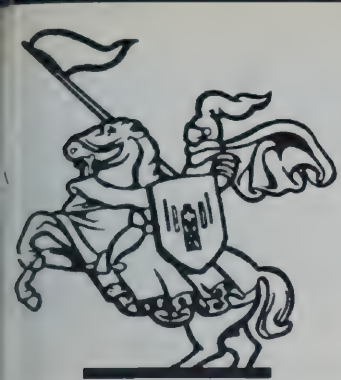

Homecoming Weekend

On the weekend of September 19th to 21st, St. Mike's experienced 'Homecoming' despite the lack of football! It was a beautiful fall weekend featuring fun festivities, including a delicious cook-out, a live band, and several sports events. Even the school's mascot, the Purple Knight was there. A clown also made her presence.

Faculty, staff, students, family, and alumni all shared in this great experience.

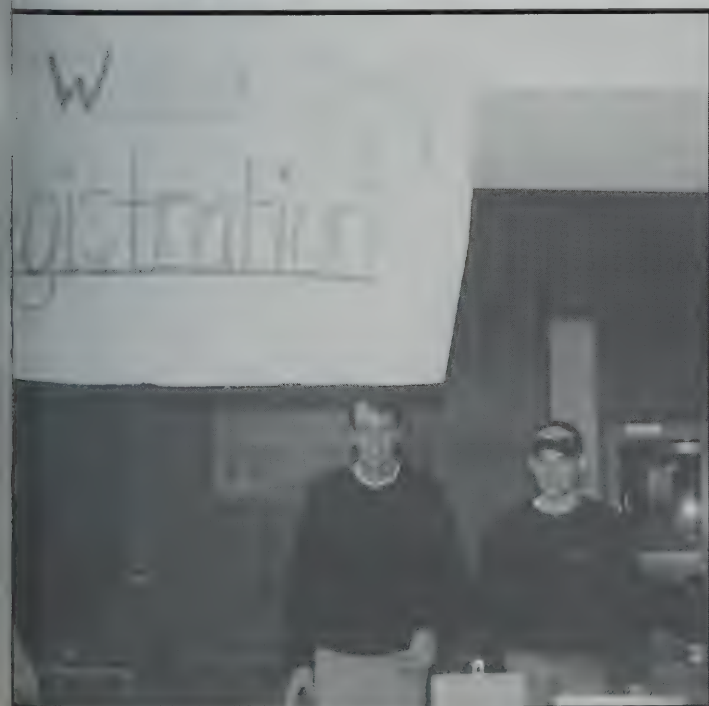

Family Weekend

April 4th to 6th marked Parents' Weekend, a time of many fun-filled activities. The 'Family Fun Fest' featured country line dancing, bingo games, and opportunities for family photographs. A musician performed tricks during dinner in Alliot, and a ventriloquist was present at the 'Desert Cabaret.' There were also several sports events and some musical performances by students in the Rathskeller.

This was also the time in which SMC's Fire and Rescue Squad put on their annual demonstration, which was held in the 300's field. A car was lit on fire and individuals were 'rescued' from it.

It was an eventful time for all.

G.R.E.A.T. Housing

Substance-Free Dorms

The acronym G.R.E.A.T. stands for Growing Recognition of the Effects of Alcohol on Thinking. This program, run by Megan Powers, allows students to live in chemical-free environments and is based on a contractual honor system. Three dorms are completely chem-free, while others have designated floors. About 200 students lived in G.R.E.A.T. housing this year.

Route 96 In Its First Year at St. Mike's

Last summer a project was proposed at SMC, which included the wiring of "Route 96" and the implementation of a new "Campus Technological Infrastructure."

This state-of-the-art system's goal is to provide students with a more competitive technological tool for the world market, to provide an easy link to the Internet, and to make researching easier.

The project enabled every computer on campus to be connected to the campus network. In addition, it allowed a software upgrade that features Windows 95, Power Point, Microsoft Exchange, Microsoft Word, and more.

It also involved the addition of a new telephone payment plan and a campus-wide voice mail system. Speaker phones were also installed in Alliot Hall and at

the main doors of the residence halls.

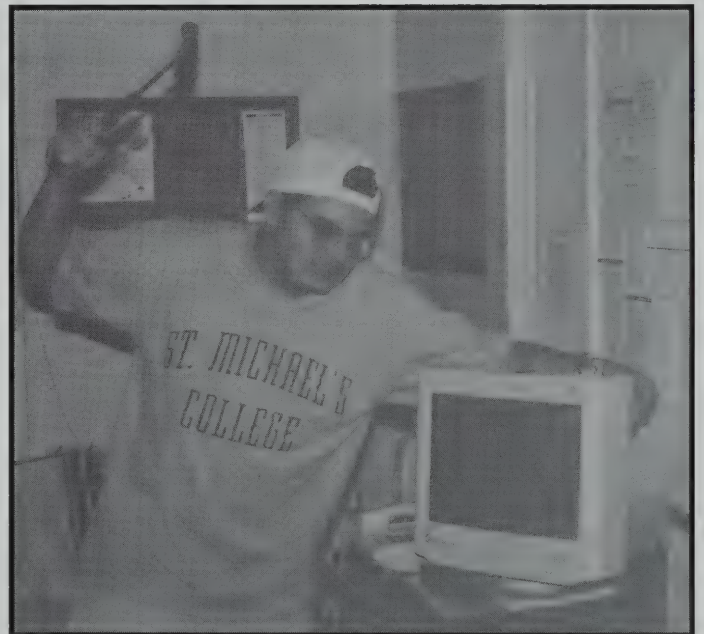

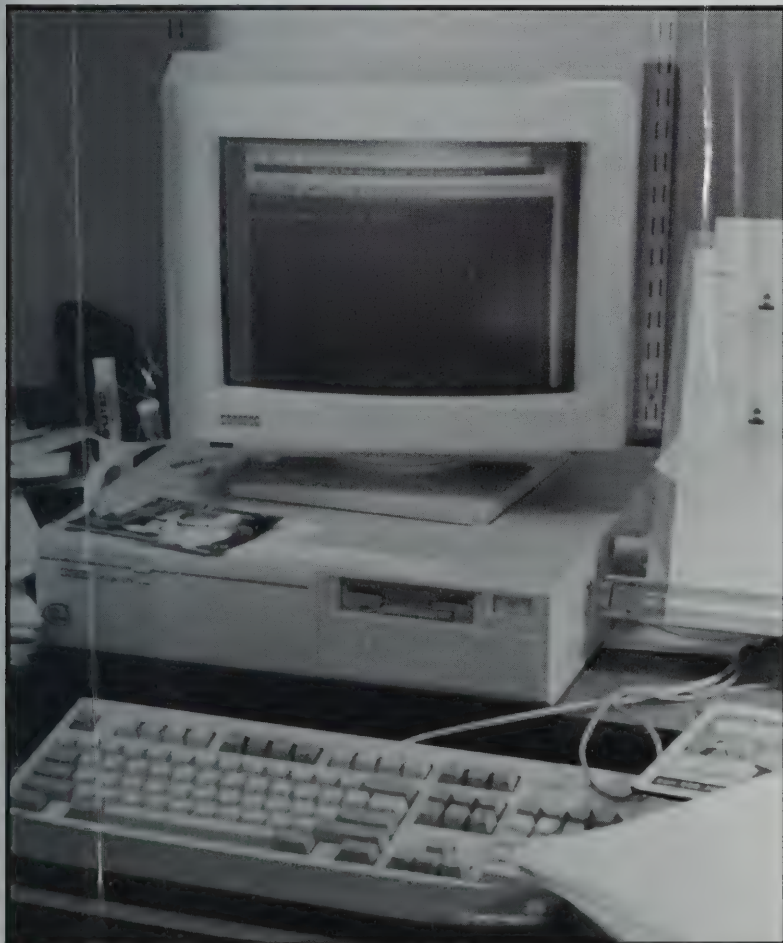

All of this work was begun on March 11th, 1996, after the project was approved by the Board of Trustees. Benoir Electric of Middlebury and Ormond and Bushy and Sons of Essex Junction were the main companies involved in its installation.

It ended up costing about \$5.9 million-- the equivalent

of building a new Tarrent Center (including the construction of its parking lot and the re-routing of the road).

In the beginning, people were often frustrated with complications such as clogged-up phone lines and computer network break-downs. However now the system is running very well. We are very lucky to have this huge improvement in technology; everyone seems to be benefiting!

BELOW: All computers on campus now feature Windows 95, Microsoft Exchange for e-mail, and access to Netscape for the World Wide Web and Internet. RIGHT: Adjusting to the new system was often challenging and frustrating. BELOW RIGHT: Speaker phones were installed in the dorms and in Alliot for both emergencies and quick phone calls.

Recreation Resource

The Outing Club has expanded!

T

his organization is composed of three parts: Indoor Recreation, led by Sarah Goodrich, a member of the athletic department; Outdoor Recreation, led by Todd Wright, a 1996 SMC graduate; and the "Ski Connection," led by Bill McDonnell. Programs are open to people of all skill levels.

The Indoor Recreation program offers a wide range of activities including: lessons in racketball, swimming, and Tae Kwon Do; yoga, aerobics, dance, and self defense classes; fitness and free weight programs; CPR and First Aid courses; ceramics classes; and intramural sport competitions in

volleyball, soccer, basketball, floor hockey, softball, tennis, racketball, ping pong, billiards, chess, and the 'Turkey Trot.'

The Outdoor Recreation program offers the following activities: wilderness First Aid training; backpacking and hiking; rock and ice climbing; mt. biking; snow shoeing; kayaking; alpine and nordic skiing; white water rafting; canoeing; fly fishing; in-line skating; windsurfing; and more. Rental equipment is available.

"The Ski Connection" provides transportation, rentals, lift ticket, and a lesson in skiing or snow boarding for only \$5 a day!

The Rathskeller

■ ■ ■ aka ■ ■ ■ ■ ■
"The Rat"

Upstairs in Alliot Hall, attached to Greensleeves (the campus snack bar), you can find a great place for socializing, entertainment, relaxing, and even studying. It is called the Rathskeller, or the "Rat" for short.

This year many innovations have occurred to the Rat, making it an even nicer place to spend your time in! Thanks to Jen Scola, Jen Pratt, Jeff Fountain and others, the Rat now features foose-ball and a big screen television, along with a smaller T.V., a pool table, a surround-sound stereo system, several large couches, and booths to eat in.

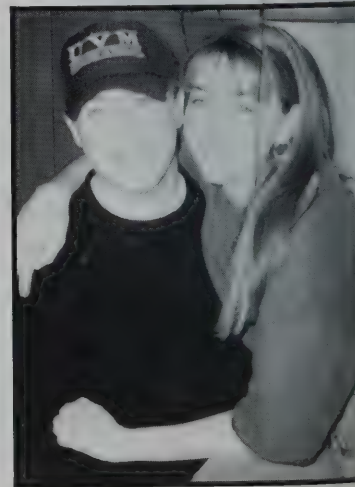

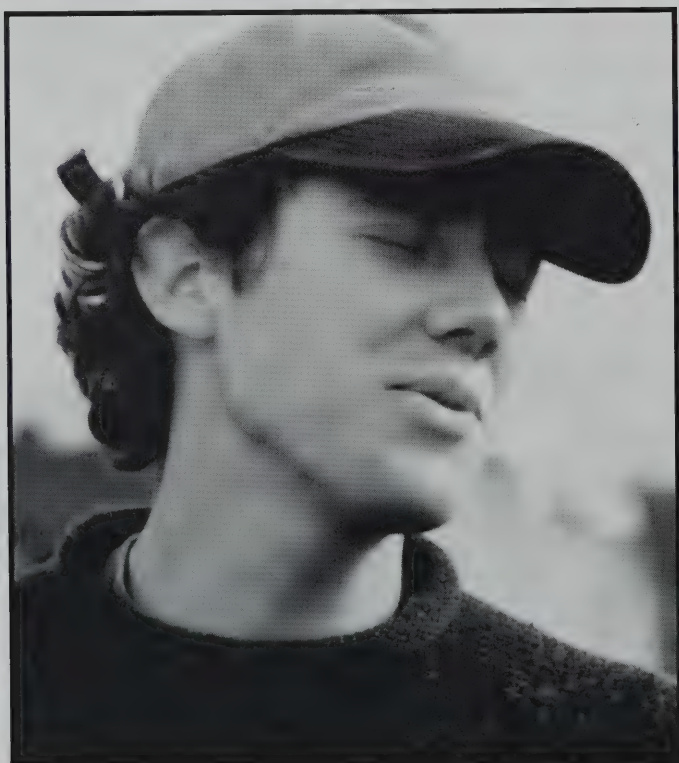

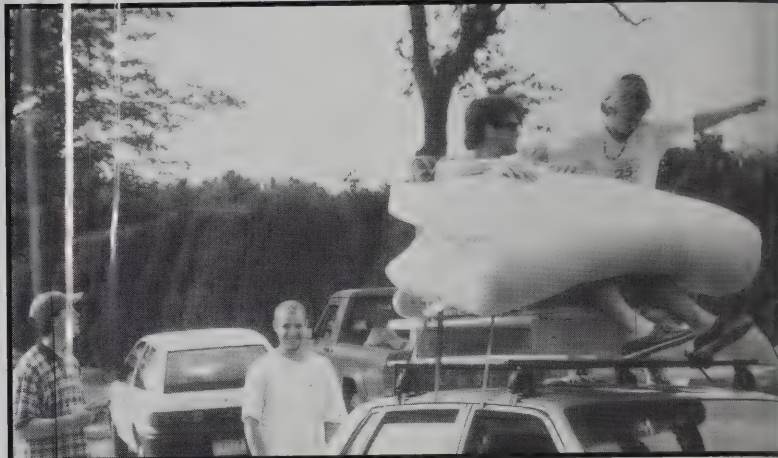

The Rat occasionally provides the location for Coffee House bands, and it can even be reserved for special, private occasions.

BELOW: Sophomore Eric Boyer proudly wears his Rathskeller staff t-shirt as he works in the office at the Rat.

BOVE: Students can take advantage of the opportunity to play pool and foose ball, while listening to music and watching television.

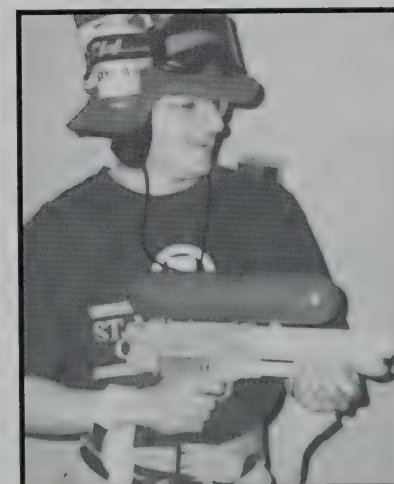

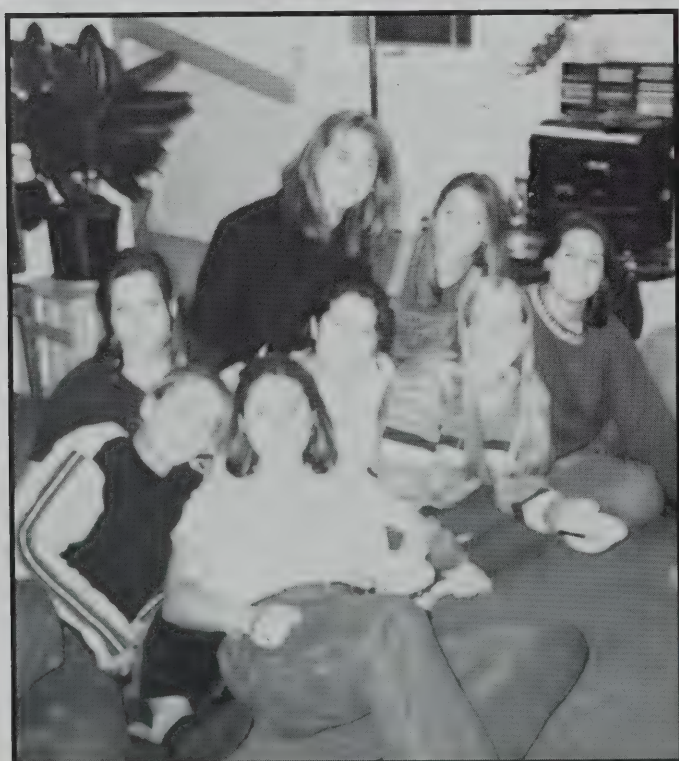

"A journey of 1,000 miles begins with one step."

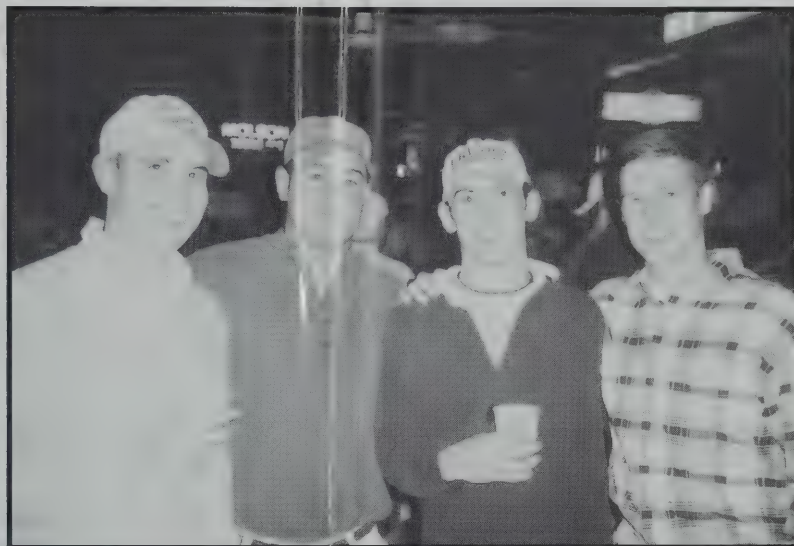

"What a long, strange trip it's been."

"A journey is a person itself; no two are alike. And all plans, safeguards, policies, and coercion are fruitless;

we find after years of struggle that we do not take a trip; a trip takes us." -- John Steinbeck

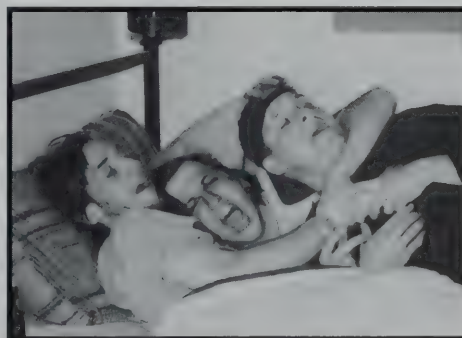

"Do not follow where the path may lead;
go instead where there is no path and leave a trail."

"There are two paths you can go by, but in the long run, there's still time to change the road your're on."

-- Led Zeppelin

One day Alice came to a fork in the road and saw a cheshire cat in a tree. 'Which road to I take?' she asked.
His response was a question:

'Where do you want to go?' 'I don't know,' Alice answered. 'Then,' said the cat, 'It doesn't matter.'

In November, a hijacked Ethiopian airliner crashes after running out of fuel. The crash occurs near a resort beach in the Comoros Islands in the Indian Ocean. At least 123 of the 175 people on board die, including the hijackers.

After 36 years, Central America's longest civil war ends when Indian rebels and military leftists sign a truce in Guatemala.

British Telecommunications agrees to purchase MCI Communications for up to \$21 billion in November. The deal is the biggest foreign purchase of a U.S. company ever concluded.

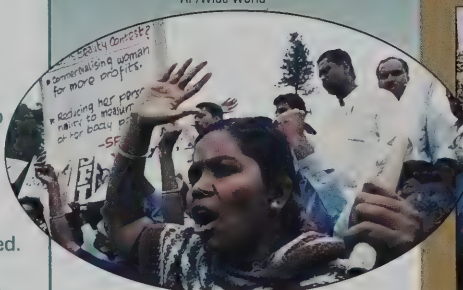

A U.N.-negotiated treaty banning chemical weapons worldwide is set to take effect in the spring. The treaty prohibits the development, production, stockpiling or use of chemical weapons, and calls for the destruction of existing supplies. The treaty is signed by 160 nations, including the U.S.

ELIZABETH MANDARONO

Dear Elizabeth,

The moment we have waited for has finally come. It seems like yesterday that we were holding you in our arms. Where has the time gone? In a blink of an eye you went from a quiet and shy little girl to a very mature and outgoing young lady. There is not one moment in our lives that you have not made us proud to be your parents. Congratulations.

Love always,

Mom & Dad

P.S.

Remember that the most important things in life are to be happy and to enjoy what you do. God bless you.

To our little dancer who won the hearts of many, we wish to congratulate you on your many accomplishments to date. With God as your partner, you have danced through the challenges and joys He put before you. As you strive to achieve the life's goals you set for yourself, continue to keep Him as your guide. You have been a shining example to your sibling as the "big sister". Your determination and caring attitude is an inspiration to us all.

Congratulations, George !!

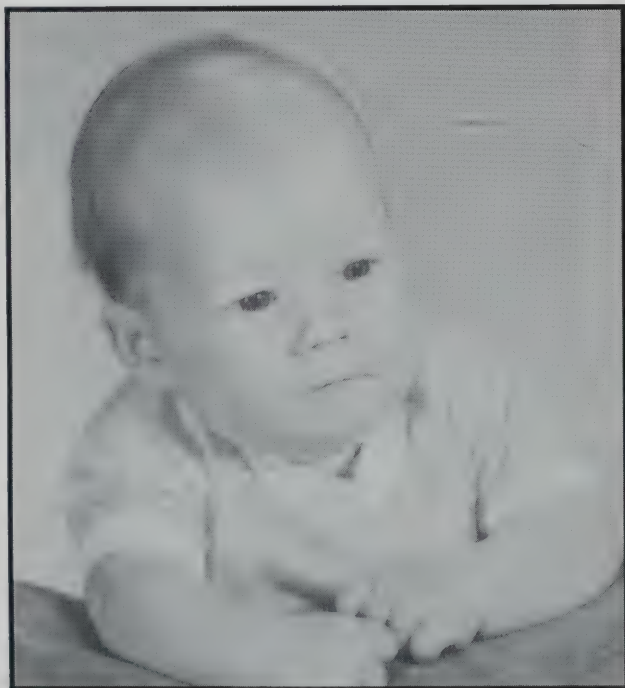

**We are Truly Proud of all Your
Accomplishments**

Love, Mom & Dad

Congratulations Christine!
We are very proud of you and all the accomplishments that you have completed while attending St. Michael's. May you continue to broaden your horizons and goals in life, and may you may tackle any obstacles that may be in your way to the road of success.
God Bless You.

"The Best Goal
You Will Ever Achieve
Is The One You
Worked The Hardest For."

Nicole----You used the above quote in your High School
yearbook----and went on to achieve a goal that
will shape the rest of your life.

You began your college career as a timid, lonely
but DETERMINED Freshman, and you are ending
your college career as a confident, poised yet still
DETERMINED Senior.

No one has worked harder or pushed further,
accepting only the very best from yourself. Now
the time has come to move on to the next "Best
Goal" and perhaps the one you will work the
"Hardest For".

Thank you Nickers for letting us achieve one of our
"Best Goals". We are bursting with Pride and Joy.

ALL OUR LOVE FOREVER,
MOM, DAD, DANIELLE & MONIQUE

Congratulations, Kim!

All our love,

Mom, Dad, Becky,

CONGRATULATIONS AND GOOD LUCK KARA!!!

THEN

We love you, Kara.

A daughter to us always where it matters most, our hearts.

Finally coming to terms just as we have to part.

Big sister to three
who adore you more than you know.
Looking up to you, loving you,
Now watching you go.

Special friend to others
who are so much in need.
An example to follow,
you've planted the seed.

You've paved the way for all of us
on road untraveled before,
Which made them difficult at times,
but always opened a door.

As we watch you move on
to what life holds in store,
In our hearts, arms, and home,
there is always an open door.

So we wish to you all the best life can give.
Be joyous, generous, loving in the life you live.
But most of all, in all you do,
Like us, be loving and proud of special you.

NOW

Love, Dad, Ellen, Eric, Alex, Hannah,
Darnice, Lisandra, Alberto, Leisha, and
Theo, and of course Mikey and Gabby

when they asked if I felt cheated
Now that I've lost you

'97 Hilltop's Theme

We on the Hilltop staff believe that the popular saying "*Life is a journey, not a destination*" is very true and appropriate to the college experience.

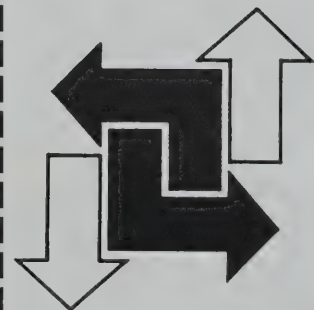

The ultimate destination and goal of attending college is, of course, to get a diploma; however it is obvious that the most enjoyment is found in the experiences that go on during the four or so years that it takes to reach Graduation. It is the memories and relationships that were created on this 'journey' that form the important parts of life... not just the piece of paper that is received at graduation, the final 'destination.'

In life, our **destinations** are based on our own personal missions and goals; the **map** is formed in our minds and hearts, and we must make our own decisions on which ways to turn; the **routes** where we've gone and where we will go are influenced by who taught us how to drive (i.e. who raised us) and by who we travel with (i.e. friends & family); the **vehicles** we occupy are our immediate environments; the **fuel** we use is made up of our knowledge and passions; and the comfort of our **ride** depends on our attitudes and levels of mental awareness.*

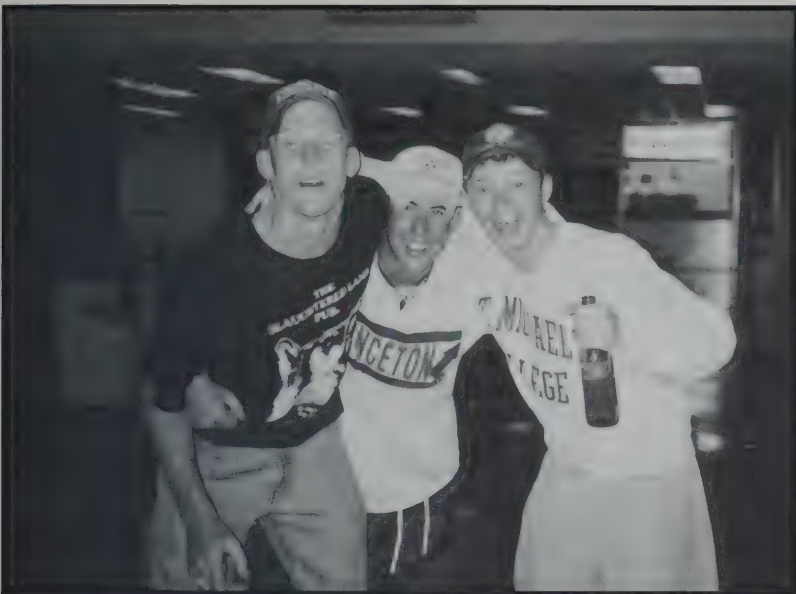

That is why we chose the theme of *journeys* in this year's yearbook. Look closely at the book and really think about each quote that we've included. They all relate to journeys, trips, routes, traveling, and movements through life.

Whereas college was just one small 'trip' along your long journey through life, we hope that it was a good one. . .and we wish you all luck in your future endeavors. Bon voyage!!
